

IT Audit Manager/Business Advisor

Practice Area: Management Consulting
Location: Barbados
Position Type: Full-time

Career Opportunities in Advisory

KPMG is a global organization of independent professional services firms providing Audit, Tax and Advisory services. We operate in 146 countries and territories and have almost 227,000 people working in member firms around the world. Each KPMG firm is a legally distinct and separate entity and describes itself as such. KPMG International Limited is a private English company limited by guarantee. KPMG International Limited and its related entities do not provide services to clients.

KPMG in Barbados and the Eastern Caribbean (KPMG BEC) operates in **Barbados, Antigua and Barbuda, Saint Lucia and St. Vincent and the Grenadines** (also practicing in Anguilla, Dominica, Grenada, Montserrat, St. Kitts and Nevis).

The KPMG Advisory practice offers a diverse range of services such as Information Risk Management and Management Consulting. We are seeing tremendous client demand as the world is going through significant changes and looking forward we don't anticipate that slowing down. With a deep knowledge of our market and an understanding of new ways of working, we aim to provide strong support to our clients while encouraging our teams to collaborate, deepen their experiences and expand their capabilities. If you're looking to join a firm with a strong team connection where you can advance your skills and experiences, then consider a career in Advisory.
