KPMG Private Enterprise has released its latest issue of [Business Matters](#).

On February 24, 2021 KPMG in Bermuda hosted its annual Public Sector Accounting Standards update which was presented by Bailey Church, National Public Sector Accounting Advisory service line leader for KPMG in Canada. In this issue's main article, *COVID-19 reporting issues under PSAB*, Bailey discusses how the pandemic has altered the financial reporting environment for public sector organisations.

This newsletter also contains articles which cover emerging trends within sustainable infrastructure for island jurisdictions, the power of women in family businesses, KPMG's 2020 Corporate Citizenship Report, and a spotlight on our three newest Bermuda CPAs, Ciara Rego, Jahlae Outerbridge and Ranisha Simmons.

We hope you enjoy this issue and we welcome the opportunity to speak with you on any of these articles.
