AFFIDAVIT OF MICHAEL LOMBARD

(Sworn November 6, 2023)

I, **MICHAEL LOMBARD**, of the City of Aurora, in the Province of Ontario, MAKE OATH
AND SAY:

1. I am the Chief Credit Officer, of the Applicant, Peoples Trust Company (“PTC”). As a result, I
have personal knowledge of the matters to which I hereinafter depose save and except where I refer to

matters based on information and belief, in which case I verily believe that information to be true. Where I refer to matters pertaining to the structure and operation of the Respondents and their business, my information is derived from files maintained by PTC, information obtained from the Respondents and publicly available data.

2. This affidavit is sworn in support of an application by PTC pursuant to the *Companies' Creditors Arrangement Act* (Canada) (the "CCAA") seeking an initial order (the "**Initial Order**") under the CCAA substantially in the form of the draft order included at Tab 3 of the Application Record, which includes relief related to the engagement of a chief restructuring officer in respect of the Respondents (the "**Proposed CRO**"). Should the Initial Order be granted, PTC intends to bring a motion, returnable during the initial ten (10) day stay period (the "**Comeback Hearing**"), seeking, among other things: (a) an extension of the stay of proceedings; and, (b) increases to the DIP Facility and DIP Lender's Charge and to the Administrative Charge (as those terms are defined below; and, (c) such further relief as may be necessary or desirable.

I. OVERVIEW AND INTRODUCTION

3. The "Simply Green Leasing Group", as that term is used in my affidavit is comprised of Crown Crest Financial Corp. ("**CCFC**"), Simply Green Home Services Inc. ("**New Simply Green**"), Simply Green Home Services Corp. ("**Old Simply Green**"), Crown Crest Capital Management Corp. ("**CC Management Co**"), Crown Crest Funding Corp. ("**Trustee Co**"), and Crown Crest Capital Trust ("**CC Trust**"). In this affidavit, I will sometimes refer to the Simply Green Leasing Group as the "**Companies**".

4. At a high level, and as further described below, the Companies operate a vertically integrated home improvement equipment rental, leasing and servicing business.

5. Since 2016, PTC has been a principal source of secured financing for the Simply Green Leasing Group. It has done so through warehouse loan agreements and secured debentures advanced to certain of the Companies (the “**Loan Agreements**”). It has also entered into a number of concurrent leases (effectively a form of securitization, through “true lease” transactions), with members of the Simply Green Leasing Group under which PTC has certain rights pertaining to the underlying rents payable for specific portfolios of consumer rental agreements (“**Concurrent Leases**”). As of September 30, 2023, PTC is owed approximately \$39,737,421.00 under the Loan Agreements and has further exposure under the Concurrent Leases in the amount of approximately \$279,655,155.00.

6. As is described in greater detail below, the Simply Green Leasing Group is currently in a precarious position, faced with mounting liquidity issues as a result of significant increases in interest rates that are not offsetable by consumer lease payments, as well as potential class action litigation against certain of the Companies, which has not been certified.

7. If PTC’s Application is granted it is the intent of PTC to use these CCAA Proceedings in order to stabilize the business of the Simply Green Leasing Group and ultimately implement a strategy that will maximize stakeholder recovery from the equipment lease portfolios that represent substantially all of the value of the Companies’ business.

II. BUSINESS OF THE RESPONDENTS AND BACKGROUND

The Business of the Simply Green Leasing Group

8. Generally speaking, the Simply Green Leasing Group is in the business of renting and servicing home improvement equipment to retail consumers including hot water heaters, furnaces, heat pumps, air conditioners, boilers, air filtration systems and other related products. The equipment lease portfolio

73165422.2

59428125\3

owned by the Simply Green Leasing Group is spread across the common law provinces of Canada, with the majority of the equipment leases concentrated in Ontario. The equipment lease portfolio includes equipment leases originated directly by the Simply Green Leasing Group and equipment leases acquired through transactions with other originators.

9. Under the typical equipment lease, customers make regular payments, typically for a term of ten (10) years, which the Simply Green Leasing Group collects and administers. Customers generally do not pay any upfront fee for the acquisition or installation of rented home improvement equipment, and the lease agreements provide that customers would not be responsible in the normal course for repairs of the equipment.

10. As noted above, from time to time, the Simply Green Leasing Group has acquired whole portfolios of equipment leases originated by third parties either by purchasing the equipment leases themselves or by acquiring companies that own pools of equipment leases. These transactions have been a significant driver of the Simply Green Leasing Group's growth. I understand that the majority of the Simply Green Leasing Group's current equipment lease portfolio has been acquired through transactions of this nature.

11. The Simply Green Leasing Group has also historically had arrangements with third party suppliers who would originate rental agreements with customers, and immediately sell those rental agreements to the Simply Green Leasing Group under an ongoing program agreement.

Corporate Structure and Description of the Simply Green Leasing Group

12. Each member of the Simply Green Leasing Group was incorporated and is existing in Ontario under the *Business Corporations Act* (Ontario). True copies of corporate profile reports for the entities

[73165422.2](#)

59428125\3

that make up the Simply Green Leasing Group issued by the provincial ministry for the province of Ontario are attached as [Exhibit “A”](#) (the “**Corporate Profile**”).

13. The registered corporate office for each member of the Simply Green Leasing Group is located at 2225 Sheppard Ave East, here in Toronto (the “**Sheppard Office**”). My understanding is that the Sheppard Office is the head office of each of the Companies.

14. An organizational chart for the Simply Green Leasing Group is attached hereto as [Exhibit “B”](#) and set out below:

15. The Companies are further described in paragraphs 17 through 27 below.

Old Simply Green:

73165422.2

59428125\3

16. Old Simply Green is the direct and/or indirect parent of CC Management Co., CC Trust, Trustee Co., and CCFC. Prior to the 2020 Reorganization (as defined and described below), Old Simply Green held the operational assets used in the Simply Green Leasing Group's business to service the rental contract portfolio held by it, CCFC, and CC Trust. I understand that the servicing of the rental portfolios involves, among other things, financial monitoring and accounting, rental administration, default and collection management and management of the technical servicing of rented equipment.

17. Prior to the 2020 Reorganization, Old Simply Green originated rental agreements but no longer did so thereafter. As part of the 2020 Reorganization, Old Simply Green changed its name to "Simply Green Home Services Corp." from its prior name of "Simply Green Home Services Inc.". After the 2020 Reorganization, all new rental agreements that were originated "in-house" were originated by New Simply Green.

CCFC

18. CCFC is a party to a Concurrent Lease Agreement and a guarantor of certain debentures given by Old Simply Green. CCFC holds pools of equipment leases originated by third parties prior to the 2020 Reorganization.

CC Trust / CC Trustee / CC Management Co:

19. CC Trust is a special purpose funding trust and is also a party to three Concurrent Lease Agreements. It holds pools of equipment leases originated by other entities within the Simply Green Leasing Group and their affiliates, as well as portfolios bought from third parties prior to the 2020 Reorganization. CC Trustee is the trustee of the CC Trust. CC Management Co is the beneficiary and administrator of CC Trust.

73165422.2

59428125\3

New Simply Green:

20. New Simply Green was created in fall of 2020, as a part of a corporate reorganization (the “**2020 Reorganization**”) accomplished in tandem with the formation of 2775996 Ontario Inc. (“**277**”) to acquire adjacent consumer lending businesses (the “**Loan Business Acquisition**”). New Simply Green was originally incorporated as “2775153 Ontario Inc.” and thereafter changed its name to “Simply Green Home Services Inc.” the former name of Old Simply Green. As I understand it, the sole shareholder of New Simply Green is 277, now known as Marble Amalco Inc.

21. As part of the 2020 Reorganization, the operational assets (i.e. the assets other than the rental agreement portfolio assets) held by Old Simply Green were transferred to New Simply Green, including (a) all management and operational employees and independent contractors; (b) the head-office lease; (c) the owned and leased office furniture, equipment and vehicles used in the business; and, (d) other third party agreements, including servicing agreements, licenses required for the operation of the business.

22. I understand that part of the rationale for this transfer, was to realize synergies and economies of scale by unifying the servicing functions previously performed at the New Simply Green level with the assets and staff that were being acquired as part of the Loan Business Acquisition.

23. Existing consumer rental agreements held by CC Trust, CCFC, and Old Simply Green as at the time of the closing of the 2020 Reorganization were not transferred to New Simply Green. It was intended that these rental agreements would be run-off over the following 10-15 years within their existing Companies (the “**Pre 2020 Portfolio**”). Given that Old Simply Green, would no longer have the operational assets required to service the Pre 2020 Portfolio on closing, New Simply Green and Old Simply Green entered into a sub-servicing agreement with PTC’s consent, pursuant to which New Simply

Green agreed to fulfill all of the servicing obligations previously performed by Old Simply Green in relation to the Pre 2020 Portfolio (the “**Sub-Servicing Agreement**”). Post-closing, new rental agreements were originated via New Simply Green and no new rentals agreements were originated or otherwise transferred to Old Simply Green, CC Trust, or CCFC. New Simply Green continued to originate rentals from consumers until its origination operations were wound down commencing in June 2023.

Indebtedness to PTC

24. Since 2016, PTC has been a major source of financing for the Simply Green Leasing Group.
25. PTC has established credit facilities in favour of members of the Simply Green Leasing Group pursuant to three (3) warehouse loan agreements and two (2) debentures.
26. The Loan Agreements currently in place between members of the Simply Green Leasing Group and PTC are described in the below chart:

#	Borrower	Principal Amount of Facility	Title and Date of Agreement	Defined Term in this Affidavit	Exhibit to this Affidavit
1	CC Trustee in its capacity as trustee of CC Trust	\$5,500,000	Fourth Amended and Restated Warehouse Line of Credit Agreement dated January 1, 2023	“Warehouse 1”	Exhibit “C”
2	CC Trustee in its capacity as trustee of CC Trust	\$20,514,800	Third Amended and Restated Warehouse Line of Credit Agreement dated January 1, 2023	“Warehouse 4”	Exhibit “D”
3	New Simply Green	\$25,000,000	Second Amended and Restated Warehouse Line of Credit Agreement dated January 1, 2023	“Warehouse 5”	Exhibit “E”
4	Old Simply Green	\$10,000,000	Debenture dated January 19, 2018	“Debenture 1”	Exhibit “F”

Warehouse Loan Agreements

73165422.2

59428125\3

27. As a general matter, the Warehouse Loan Agreements provide for the financing of originated customer rental agreements, and the equipment and services to which they relate, on a rolling basis by way of advance requests for transactions that meet certain specified eligibility requirements. Advances to the Simply Green Leasing Group under the Warehouse Loan Agreements are limited to maximum amounts and sub-limited by borrowing base formulas based on a percentage of the remaining stream of payments under all rental agreements held by the borrower, discounted to present value.

28. Under the Warehouse Loan Agreements, rental transactions can be financed in weekly tranches as they are generated by authorized originators, or, subject to prescribed limits, can be the subject of portfolio refinancing transactions where “books of business” may be acquired and refinanced.

29. The Warehouse Loan Agreements establish applicable interest rates on outstanding advances, payable monthly. Subject to permitted and required prepayments, advances under the Warehouse Loan Agreements are payable in full on specified maturity dates unless extended at PTC’s option.

30. Collections received from rental customers are deposited in remittance or collection accounts, which are subject to blocked account agreements, as further described below. These collections, the rental agreements, the subject equipment, and all other assets relating to the customer rental transactions are subject to the security interests created under the security summarized in paragraphs 42 and 43 below.

31. Based on Simply Green Leasing Group’s own statements concerning its cash flow deficits resulting from significant rises in interest rates and lack of liquidity to offset them, relevant members of the Simply Green Leasing Group are in default under the applicable Warehouse Loan Agreements.

32. As at September 30, 2023, PTC is owed \$32,859,800.00 under the Warehouse Loan Agreements and \$6,877,620.00 under the Debenture.

Concurrent Lease Agreements

33. PTC and various entities within the Simply Green Leasing Group have also entered into Concurrent Leases, pursuant to which PTC is the concurrent lessee, and the applicable Company is the lessor and servicer. The Concurrent Lease Agreements currently in effect are described in the below chart:

	Concurrent Lessor and Servicer	Title and Date of Agreement	Exhibit to this Affidavit
1	CCFC	Fourth Amended and Restated Concurrent Lease dated June 30, 2021	<u>Exhibit "G"</u>
2	CC Trustee in its capacity as trustee of CC Trust	Concurrent Lease Agreement dated May 29, 2019	<u>Exhibit "H"</u>
3	New Simply Green	Second Amended and Restated Concurrent Lease dated November 1, 2021	<u>Exhibit "I"</u>
4	CC Trustee in its capacity as trustee of CC Trust	Second Amended and Restated Concurrent Lease Agreement dated April 15, 2019	<u>Exhibit "J"</u>
5	CC Trustee in its capacity as trustee of CC Trust	Third Amended and Restated Concurrent Lease Agreement dated April 15, 2019	<u>Exhibit "K"</u>

34. As a general matter, the Concurrent Lease Agreements provide for the lease of the interest of relevant members of the Simply Green Leasing Group in originated customer rental agreements, and the equipment and services to which they relate, to PTC in return for a payment by PTC of a calculated amount of prepaid rent. Prepaid rent paid by PTC under the Concurrent Leases represents a percentage of the payments to be made on the underlying customer rental agreements during the term of the Concurrent Lease, discounted to present value at a prescribed rate.

35. The effect of these concurrent lease transactions is generally to provide the totality of the

beneficial interest in the originated customer rental agreements to PTC during a specified term. Over the term of these Concurrent Leases, collections from originated customer rental agreements are received into collection accounts held by relevant members of the Simply Green Leasing Group and remitted to PTC on a monthly basis. These collection accounts are subject to blocked account agreements in favour of PTC.

36. Collections and management of cash flows from the originated customer rental agreements are administered by the relevant member of the Simply Green Leasing Group, subject to such sub-servicing agreements as may be in place. In addition, subject to such sub-servicing agreements as may be in place, technical servicing of equipment provided under customer rental agreements is managed by members of the Simply Green Leasing Group. Upon certain prescribed events of default, PTC has the right to designate a replacement servicer.

37. The Concurrent Lease Agreements also provide for security over the interests of relevant Simply Green Leasing Group members in the customer rental agreements and related rights, in addition to the property interests in favour of PTC established by the Concurrent Leases.

38. Under the terms of the Concurrent Lease Agreements, PTC may elect to pay further prepaid rent at the end of a Concurrent Lease, thereby extending additional financing of the relevant customer rental agreement during its continuing term. Under the Concurrent Lease Agreements these further advances of prepaid rent by PTC are referred to as Additional Term Prepaid Rent (“ATPR”). ATPR is not an investment in a Simply Green Leasing Group corporate entity but a further advance on customer rental agreement assets.

39. The structure established under the Concurrent Lease Agreements is effectively a species of a

securitization transaction.

40. In addition to other events of default under the Concurrent Lease Agreements, including insolvency defaults, the said agreements provide for cross default to certain of the Warehouse Loan Agreements, which as noted above, are in default. Notwithstanding these defaults, PTC has not elected to designate replacement servicers at present.

41. As at September 30, 2023, PTC's exposure under all Concurrent Lease Agreements totals \$279,665,155.00.

Security Held by PTC

42. In connection with the Loan Agreements and the Concurrent Leases, PTC has been granted general security agreements from each of CCFC, New Simply Green, Old Simply Green, CC Management Co., Trustee Co and CC Trust pursuant to which PTC obtained a first ranking general security interest in all of the personal property, assets, and undertakings of the applicable grantor, as security for all indebtedness, liability and obligations of that grantor to PTC, including, without limitation, guarantee obligations and future indebtedness. True copies of the GSAs are attached as the exhibits identified below:

- (a) GSA from CCFC dated January 19, 2018 – [Exhibit “L”](#);
- (b) GSA from New Simply Green dated April 21, 2021 – [Exhibit “M”](#);
- (c) GSA from Old Simply Green dated January 19, 2018 – [Exhibit “N”](#);
- (d) GSA from CC Management Co dated December 1, 2016 – [Exhibit “O”](#); and

- (e) GSA from Trustee Co in its own capacity and its capacity as trustee of CC Trust dated December 1, 2016 – [Exhibit “P”](#).

43. I note that in addition to the GSAs, under each of the Concurrent Leases, PTC has been granted a security interest in the underlying rented assets, including without limitation all amounts owed to or received by the applicable lessor, and all of the lessor’s right, title and interest, in and to all collections in respect of the remaining term of the rental agreements.

Guarantees Granted to PTC

44. In connection with the Loan Agreements, PTC has been granted certain guarantees of existing credit facilities by non-borrower entities within the Simply Green Leasing Group. These guarantees are identified below (true copies of which are attached as the corresponding exhibits listed below):

- (a) A Guarantee granted by 277 (now Marble Amalco Inc.) dated April 21, 2021 of the obligations, liability and indebtedness of New Simply Green under Warehouse 5 – [Exhibit “Q”](#) (the “Warehouse 5 Guarantee”);
- (b) A Guarantee from CC Management Co dated December 1, 2016 of the obligations, liability and indebtedness of CC Trust under Warehouse 1 – [Exhibit “R”](#);
- (c) A Guarantee from CC Management Co dated May 29, 2019 of the obligations, liability and indebtedness of CC Trust under Warehouse 4 – [Exhibit “S”](#); and,
- (d) A Guarantee granted by CCFC dated January 19, 2018 of the obligations, liability and indebtedness of Old Simply Green under Debenture 1 – [Exhibit “T”](#).

45. In addition to the more traditional financing/payment guarantees described above, 277 (now [73165422.2](#)

Marble Amalco Inc.) granted a guarantee to PTC under the terms of the Sub-Servicing Agreement, guaranteeing the performance and fulfilment of the Sub-Servicing Obligations by New Simply Green and indemnifying PTC from any loss, damage, suit, cost or other proceeding arising from the failure of New Simply Green to perform its obligations under that agreement. A true copy of the Sub-Servicing Agreement is attached as [Exhibit “U”](#).

Other Secured Creditors

46. PTC has registered its security interests against the members of the Simply Green Leasing Group across Canada.

47. The Simply Green Leasing Group has a limited number of other creditors with registered financing statements in the applicable personal property security registries. These creditors are as follows:

- (a) Jim Peplinski Leasing Inc. (the “**Peplinski Registrations**”);
- (b) The Toronto-Dominion Bank (the “**TD Registration**”);
- (c) Ford Credit Canada Leasing, Division Of Canadian Road Leasing Company (the “**Ford Registration**”);
- (d) Shabnam Raheema Morin and Edward Dustin Morin (the “**Morin Registration**”); and
- (e) Greypoint Capital Inc. (the “**Greypoint Registration**”).

48. A summary of PPSA searches recently obtained against the Simply Green Leasing Group and current as of the date indicated therein, is attached hereto as [Exhibit “V”](#) (the “**PPSA Summary**”).

49. I have been advised by Clifton Prophet a partner at Gowling WLG (Canada) LLP, counsel to the [73165422.2](#)

Applicant that:

- (a) the Peplinski Registrations appear to relate to the leasing and/or financing of motor vehicles;
- (b) the TD Registration appears to relate to operating bank accounts maintained with Toronto-Dominion Bank and not credit facilities;
- (c) the Ford Registration appears to relate to the leasing and/or financing of motor vehicles for use in the business; and
- (d) The Morin Registration appears to relate to a writ of enforcement in the amount of \$3,500 registered under the PPSA in Alberta.

50. In respect of the Greypoint Registration, which is against Old Simply Green, my understanding is that Greypoint Capital Inc. previously provided financing to Old Simply Green by way of a warehouse loan agreement (the “**Greypoint Warehouse**”). Based on the notes to 2022 Audited Financial Statements (as defined below), the Greypoint Warehouse Agreement was repaid in full on January 26, 2022.

Unsecured/Other Creditors

51. Based on information provided by KPMG LLP in its capacity as financial advisor¹ to PTC, it appears that wages for employees of the Simply Green Leasing Group and source deductions were current to the last remittance date.

¹ KPMG LLP, an affiliate of the Proposed Monitor KPMG Inc., was appointed as financial advisor to PTC on or about August 8, 2023, with the consent of the Companies.

52. I am aware that senior management has stated that there are inter-company amounts owing by Old Simply Green to New Simply Green based on services provided by New Simply Green but I am unaware of the particulars of these claimed amounts in detail or their exact nature. I have no information concerning amounts which may be claimed by the shareholder of New Simply Green.

Litigation

53. I understand that members of the Simply Green Leasing Group are currently subject to certain litigation. The material litigation that I am aware of is described below in paragraphs 54 through 56.

Bonnick Class Action

54. All of the Companies' are subject to a claim commenced under the *Class Proceedings Act, 1992*, by Alga Adina Bonnick and Goran Stoilov Donev (the "**Bonnick Action**"). In the Bonnick Action, the class plaintiffs allege, among other things, that consumer agreements entered into by the defendants in that Action, breached the *Consumer Protection Act (Ontario)* (the "**CPA**") by (a) failing to set out material information required to be disclosed under the CPA; and (b) failing to deliver a disclosure statement compliant with the CPA. They further allege that the applicable Companies "slandered" the title to consumers' houses by registering "notices of security interests" against the underlying lands.

55. The Plaintiffs in the Bonnick Action, are seeking, among other things, (a) rescission, cancellation and or a declaration that the agreements entered into with class members are unenforceable, (b) general damages for all payments the class members made to the defendants, (c) punitive and exemplary damages in the amount of \$5,000,000, (d) and relief from amounts that the defendants claim are owed or owing by the class members. I understand that a certification hearing in respect of the Bonnick Action is

currently scheduled for October 2024. A true copy of the Amended Fresh as Amended Statement of Claim issued by Ms. Bonnicks and Mr. Donev is attached as [Exhibit “W”](#).

MNP Claim

56. Old Simply Green and Trustee Co in its capacity as trustee of the CC Trust are defendants in litigation commenced by MNP Corporate Finance Inc. (“MNP”), pursuant to which MNP, is seeking, among other things, damages in the amount of \$12,000,000 for breach of contract in relation to the prior engagement of MNP to assist with a capital raise (the “MNP Claim”). I am advised by Clifton Prophet of Gowling that the MNP Claim was heard by the Ontario Superior Court of Justice, sitting in Toronto, between September 18 and 29, 2023. To my knowledge, no decision has been released on the MNP Claim litigation as of the date of this affidavit.

Banking Arrangements

57. I am not aware of the full extent of the Simply Green Leasing Group’s current banking arrangements. I am aware that the Simply Green Leasing Group maintains certain operating accounts with Toronto-Dominion Bank.

Financial Statements

The Old Simply Green FS Entities:

58. The most recent audited financial statements in PTC’s possession for the Simply Green Leasing Group are consolidated financial statements for Old Simply Green for the fifteen-month period ending December 31, 2022 (the “2022 Audited Financial Statements”). The 2022 Audited Financial Statements, as consolidated financial statements, cover, among other entities, each of the Companies

other than New Simply Green (the Companies included in the Audited Financial Statements, the “**Old Simply Green FS Entities**”).

59. According to the 2022 Audited Financial Statements, as at December 31, 2022 the Old Simply Green FS Entities had total consolidated assets with a net book value of approximately \$256,381,975. The majority of these consolidated assets are comprised of “finance receivables” which I understand to be the net book value of rental payments owing to the Old Simply Green FS Entities in the amount of \$224,914,260.

60. The 2022 Audited Financial Statements further provide that as of December 31, 2022, the Old Simply Green FS Entities had total liabilities in the amount of \$312,293,996, including secured debt in the amount of \$255,768,251 and accounts payable in the amount of \$12,964,867. Attached hereto and marked as Exhibit “X” are copies of the 2022 Audited Financial Statements.

New Simply Green Financial Statements

61. As noted above, the 2022 Audited Financial Statements do not include New Simply Green.

62. PTC has been periodically provided unaudited financial statements for New Simply Green. The most recent unaudited financial statements in PTC’s possession for New Simply Green are for the quarterly period ending March 31, 2023 (the “**New Simply Green March 2023 FS**”). The New Simply Green March 2023 FS, indicate assets in the amount of \$61,249,533 (made up primarily of “finance receivables” in the amount of \$55,581,278) and liabilities of \$90,889,955 (including secured borrowings of \$55,416,123), with such mismatch of assets and liabilities traditionally stemming from the structure of the Concurrent Lease Agreements. Attached hereto and marked as Exhibit “Y” are copies of the New

Simply Green March 2023 FS and unaudited financial statements for New Simply Green for the year ending December 31, 2022.

III. FINANCIAL DIFFICULTIES OF THE SIMPLY GREEN LEASING GROUP

63. At or around July of 2023, senior management of the Simply Green Leasing Group advised PTC, that it was facing significant near-term liquidity challenges resulting from contractual interest rate increases, resulting in an approximate loss of \$300,000 a month without taking into account the payment of operating expenses, based on, among other things, its debt service requirements and other variable costs that are rising as a result of inflation. Senior Management of the Simply Green Leasing Group further advised PTC that it was projecting a significant net cash flow shortfall over the period ending December 31, 2026 that could not be covered by its existing resources and that in order to manage its liquidity it required a significant restructuring of its debt obligations. At present Simply Green Leasing Group has no other source of financing to meet these shortfalls.

64. Given current leverage levels and the potential implications of the Bonnick Action, senior management also told PTC that, at this time, they did not believe a near term sale of its portfolio would be viable.

65. As I understand it from my discussions with senior management of the Simply Green Leasing Group, the Companies' financial distress has come about as a result of factors which include the fixed streams of income flowing from their equipment lease portfolios vs. the variable rates applicable to their debt under the PTC Loan Agreements and their obligations under the Concurrent Lease Agreements; the lack of active interest in the current financial markets for asset classes such as theirs; and, the effects of significant inflationary pressures on the operating costs of the business.

66. After extensive discussions among PTC, the Companies and their senior management, the Proposed Monitor, and advisors, all parties determined that it was in the best interests of stakeholders to seek CCAA protection for the Simply Green Leasing Group on the terms of the Initial Order included in PTC's application materials, for the reasons detailed below. Since reaching this conclusion, the parties have worked cooperatively to finalize arrangements for these proceedings.

IV. CCAA PROCEEDINGS

Debtor-In-Possession/Creditor Initiated

67. PTC has brought these proceedings in the form of a creditor-initiated CCAA application based in significant part on the specifics of the Simply Green Leasing Group business and with the support of Simply Green Leasing Group management. In order to preserve value for PTC and other stakeholders, continuity of the entities which are the counterparty on approximately 80,000 consumer home equipment leases is essential. In these circumstances, I am concerned that the disruption caused by other structures for the recovery of amounts outstanding would affect performance of the equipment lease portfolios. As well, the stability of existing contracts with suppliers and service providers and of banking arrangements will be significantly enhanced by permitting continuity of the existing corporate entities through these proceedings.

68. It is also important to the thousands of rental customers using Simply Green Leasing Group home improvement equipment in their homes that the Companies and their business are preserved, in order to ensure that continued repair and servicing of furnaces and water heaters will be available as winter approaches. The protections afforded by the CCAA relief being sought, including the stay of proceedings and the funding to be made available under the DIP Facility described below (if approved by this Court),

should facilitate the delivery of needed technical services and provide a measure of certainty to customers.

69. I am specifically concerned that approaches to the financial distress of the Simply Green Leasing Group that are alternatives to the contemplated CCAA proceedings, such as the appointment of a receiver over the PTC collateral and rental assets, could have significant negative effects. These effects could include impairment of the streams of payment from the rental customers that represent substantially all of the value of the Simply Green Leasing Group business, as well as customer cancellations. I am concerned that the introduction of a receiver and manager as the counterparty to the rental agreements, and customer perceptions of receivership in general, could have a very detrimental effect on portfolio value. These and other reasons have caused PTC to apply for CCAA protection for the Simply Green Leasing Group with the support of its management.

Stay of Proceedings

70. PTC seeks a stay in respect of the Companies in order to allow it time to develop a plan for restructuring its finances and/or its business. As well, a stay of proceedings, which prevents contract counterparties from interrupting their services, will ensure that losses on the portfolio are minimized and that the cash flows are protected.

71. The granting of the requested CCAA relief, including the stay of proceedings, will also allow the Proposed Monitor and the Proposed CRO to work with Simply Green Leasing Group employees to ensure the stable operation of the business and to preserve the asset base.

72. As set out in more detail below, in addition to extending the stay and increasing the DIP Lending Facility and relevant court-ordered charges, PTC intends to use the initial 10-day stay period to work

73165422.2

59428125\3

with the Proposed Monitor and the Proposed CRO to achieve an efficient transition of control over the business to the CRO, under the Monitor's oversight, which will include the assistance of the Simply Green Leasing Group's management team. Ultimately, PTC intends to explore all options for maximizing value from the Simply Green Leasing Group's business and equipment lease portfolio. These options could include a variety of marketing and sale approaches, attempts to refinance, and longer-term solutions aimed at maximizing cash flow from the rental portfolio within the existing corporate structures. PTC will work on these issues with the Proposed Monitor and the Proposed CRO and with existing Simply Green Leasing Group employees.

Appointment of Monitor

73. PTC is seeking the appointment of KPMG Inc. ("KPMG") to serve as the CCAA Monitor in these proceedings (in such capacity, the "**Proposed Monitor**"). A copy of the consent of KPMG to act as Monitor is attached as [Exhibit "Z"](#).

74. I have been advised by Pritesh Patel of KPMG, that KPMG is a trustee within the meaning of section 2 of the *Bankruptcy and Insolvency Act* and is not subject to any of the restrictions set out in Section 11.7(2) of the CCAA.

75. An affiliate of KPMG previously served as financial advisor to PTC in connection with the Simply Green Leasing Group (with the consent of the Simply Green Leasing Group, which consent includes a waiver of any claim of conflict in the event of KPMG's appointment as a monitor or other court officer).

76. I believe that KPMG's familiarity with the Simply Green Leasing Group's financial records and general business model, will create cost efficiencies during the course of the proposed CCAA proceedings that will be beneficial to all of the Simply Green Leasing Group's stakeholders.

77. The proposed Initial Order being sought by PTC would require the consent of the Proposed Monitor in respect of all disbursements except governmental priority payables arising or requiring to be remitted after the date of the Initial Order. These powers are necessary in my view as a measure to preserve cash and to ensure that critical payables are met during the period of the initial stay.

78. In connection with KPMG's proposed appointment, a pre-filing report of the Proposed Monitor has been prepared (the "**Proposed Monitor's Report**") and I have had the opportunity to review it. Among other things, the Proposed Pre-Filing Report appends the Cash Flow (defined below) and sets out the methods and assumptions adopted in its preparation.

Appointment of CRO

79. As noted, PTC also seeks relief relating the engagement of HWG Consulting Inc., acting through Joe Prosperi and others, as chief restructuring officer of the Simply Green Leasing Group (the "**CRO**"). The Companies have engaged the CRO, with the approval of PTC, under the terms of an agreement to be entered into in advance of the Application for CCAA relief in respect of the Companies, a copy of which is attached hereto as [Exhibit "AA"](#) (the "**CRO Engagement**"), with the rates of compensation redacted.

80. Since the directors and officers of the Simply Green Leasing Group have resigned (although senior management of the Companies is cooperating with PTC and has agreed to continue to support the business as consultants through a transition period, on terms agreed with PTC and the Proposed CRO) the CRO Engagement will vest significantly all of the powers of management in the CRO. The proposed CRO powers include the ability to exercise consents and discretions provided under the Initial Order.

81. The CRO Engagement also provides that it may be terminated and the CRO may resign or be

73165422.2

59428125\3

terminated on 10 days written notice by the CRO or the Monitor, as applicable. In the unlikely event of this occurring, PTC anticipates that it would seek the relief from the Court to expand the powers of the Monitor to provide for the continued stewardship of the Companies and their business.

82. It is proposed that the CRO retain independent counsel for the purposes of its role and that the CRO will be at liberty to cause the Respondents to retain other advisors as needed, in the exercise of the management powers conferred.

83. The principal of the proposed CRO, Mr. Prosperi, has significant expertise in managing complex and significant value restructurings. I understand based on my discussions with Mr. Prosperi and others who know his work that he has particular expertise both in managing teams of employees during operating restructurings and in executing on sophisticated sale and investment processes. As indicated by his biography, a copy of which is attached as [Exhibit "BB"](#) to this affidavit, he has many years of experience in the corporate finance field and in private equity roles.

84. I understand that the Proposed Monitor is satisfied with the qualifications, expertise and experience of the CRO and supports the retention of HWG Consulting Inc. as CRO on the terms of the CRO Engagement and the relief related to the engagement provided for in the proposed Initial Order.

DIP Facility

85. In light of the Simply Green Leasing Group's liquidity issues, the Simply Green Leasing Group requires interim financing to sustain its operations, including the payment of professional fees, during these CCAA proceedings.

86. Under a DIP term sheet to be entered into by the CRO, on behalf of the Companies, subject to this Court's prior approval in the Initial Order (the "**DIP Term Sheet**"), PTC has agreed to establish an interim financing facility (the "**DIP Facility**") in the maximum principal amount of \$15,000,000.00 for use during these CCAA proceedings. A copy of the DIP Term Sheet is attached hereto as [Exhibit "CC"](#).

87. During the initial ten (10) day stay period, availability under the DIP Facility will be limited to an initial advance in the principal amount of up to \$1,100,000.00, which is the amount reasonably necessary for the continued operations of the Simply Green Leasing Group until the Comeback Hearing.

88. The DIP Term Sheet contains among other things, the following terms:

- (a) Borrowers: each entity within the Simply Green Leasing Group.
- (b) Principal Amount of DIP: \$1,100,000.00 (the "**Initial Maximum Amount**"), and, subject to the satisfaction of certain conditions precedent, an aggregate maximum amount of \$15,000,000.00 (the "**Maximum Amount**").
- (c) Court Orders: All advances under the DIP Facility are subject to the condition precedent that an Initial Order be made and in full force and effect, in form and content substantially similar to the draft order included in PTC's application and otherwise acceptable to PTC, including the appointment of KPMG as Monitor and the appointment of the CRO. Advances in excess of the Initial Maximum Amount are subject to the condition precedent that an amended and restated initial order has been granted by the Court in a form acceptable to PTC.
- (d) Closing Fees: (1%) of the Maximum Amount.

- (e) Use of Proceeds: (i) to fund the Borrowers' operating expenses and general corporate and working capital requirements during the CCAA proceedings, (ii) to fund the administrative expenses of the CCAA proceedings; (iii) to make payments expressly permitted under the DIP Term Sheet, including payments to PTC under the terms of the Warehouse Loans, the Debenture and the Concurrent Lease Agreements; and (iv) to pay costs, expenses, interest and other obligations owing under the DIP Facility; each in accordance with an approved cash flow forecast from time to time in effect.
- (f) Payment of Interest and Concurrent Lease Agreement Remittances – The DIP Term Sheet requires that interest on the Warehouse Loans and the Debenture be paid during the CCAA proceedings and that remittances of amounts required to be paid under the Concurrent Lease Agreements continue, although the latter will be deferred for the period from the date of the Initial Order until the Comeback Hearing.
- (g) Interest: an annual rate equal to 9.5% per annum.
- (h) DIP Charge: the DIP Facility requires a super-priority ranking charge (the “**DIP Lender’s Charge**”) against all of the current and future assets, undertakings and property of the Simply Green Leasing Group.

89. I understand that the Proposed Monitor is of the view that the terms of the DIP Term Sheet are reasonable and that the Initial Maximum Amount is reasonably necessary to maintain the operations and business of the Simply Green Leasing Group pending the Comeback Hearing.

Cash Flow Forecast

73165422.2

59428125\3

90. The Proposed Monitor, in consultation with PTC and using the information obtained from the Companies, has prepared a 13-week cash flow forecast (the “**Cash Flow Forecast**”).

91. To the best of my understanding the hypothetical assumptions set out in the Proposed Monitor’s Report in relation to the Cash Flow Forecast are reasonable and consistent with the purpose of the Cash Flow Forecast and the probable assumptions are not inconsistent with the plans concerning the Simply Green Leasing Group and provide a basis for the projections that is not unreasonable. I note that since this is a creditor-initiated CCAA proceeding, my understanding of the reasonability of the Cash Flow Forecast assumptions and their consistency with the plans concerning the Simply Green Leasing Group is necessarily limited by the fact that I do not have the information about the Companies that I would have if I were one of their officers or senior management employees. In this regard, I have also relied on the fact that the Cash Flow Forecast has been developed by KPMG, which has significant expertise in these matters.

92. I note that the Cash Flow Forecast contemplates payment of interest on the Warehouse Loans and the Debenture and the payment of all amounts to be remitted under the Concurrent Leases but defers payment of the latter until after the date of and subject to the Comeback Hearing. Principal payments on the Warehouse Loans and the Debenture are not contemplated in the Cash Flow Forecast. PTC is making the forgoing accommodations to minimize the cash pressure on the Companies.

Charges

Administration Charge

93. It is contemplated under the form of Initial Order being sought that the Proposed Monitor, along with its counsel, and counsel to PTC will be granted a Court-ordered charge in the amount of \$250,000

73165422.2

59428125\3

(the “**Administration Charge**”) during the initial ten (10) day stay period, as security for their fees and disbursements incurred at their standard rates and charges.

94. I believe that the amount of the proposed Administration Charge is the amount reasonably necessary for the initial ten (10) day stay period to ensure the continued participation of the proposed beneficiaries of the Administration Charge, whose expertise, knowledge and assistance will be critical to the success of these CCAA proceedings.

95. I understand the Proposed Monitor supports the quantum of the proposed Administration Charge, which I believe is fair and reasonable in the circumstances.

96. I do not believe that there is any unwarranted duplication of roles between the proposed beneficiaries of the Administration Charge.

97. PTC intends to seek an increase in the maximum amount of the Administration Charge at the Comeback Hearing.

DIP Lender's Charge

98. The DIP Facility is conditional upon an order of this Court, among other things, approving the amount and priority of the DIP Lender’s Charge.

99. As outlined above, during the initial ten (10) day stay period availability under the DIP Facility will be limited to the Initial Maximum Amount. The form of Initial Order being sought by the Applicants contemplates a DIP Charge in this amount.

100. I am of the belief that the amount of the proposed DIP Lender’s Charge is reasonably necessary for the initial ten (10) day stay period and is supported by the Cash Flow Forecast prepared with the [73165422.2](#)

assistance and review of the Proposed Monitor.

101. At the Comeback Hearing, PTC intend to seek an increase in the amount of the DIP Lenders' Charge.

Priorities of Charges

102. It is contemplated by PTC that the Charges will be against all of the Simply Green Leasing Group's group current and future assets, undertakings and property, and will have the following priorities as between them:

- (a) First – the Administration Charge; and
- (b) Second – the DIP Lenders' Charge;

Comeback Hearing

103. As noted above, should this Honourable Court grant the initial order sought by PTC, at the Comeback Hearing PTC intends to seek an extension of the stay or proceedings, and increases to the DIP Lender's Charge and the Administration Charge.

V. CONCLUSION

104. Simply Green Leasing Group is insolvent and requires immediate support to maintain the viability of its business. PTC is the senior creditor and has a proprietary interest in a significant part of the Companies' asset portfolio of customer rental agreements. PTC has security interests over all assets. PTC's position is in jeopardy and it has arrived at a consensual arrangement with the Companies to enter into CCAA protection. This relief is needed to ensure the stability of the broad-based assets that make up the business and to ensure continuity of the cash flows which are critical to PTC's position. To the extent that the Simply Green Leasing Group can be maintained while the Proposed Monitor and Proposed CRO work with PTC to develop restructuring options, all stakeholders will benefit.

1.3 AMENDMENTS TO DEFINITION OF ELIGIBLE ASSET

If, at any time, PTC determines, acting reasonably, that there has been a material change in the information contained in a Borrowing Base Certificate from the information contained in any previous Borrowing Base Certificate, then PTC may elect by notice in writing to the Borrower and the Guarantor to amend the definition of Eligible Asset so that it contains one or more of the following additional requirements:

and the definition of Eligible Asset will be deemed to have been amended from the time of delivery of notice of any such election by PTC to the Borrower and the Guarantor.

2. LOAN

2.1 LOAN

Subject to the terms and conditions contained in this Agreement and in the other documents, instruments and agreements executed in connection with the Loan, including without limitation, the Security Agreement and the other Loan Documents, PTC will establish for the Borrower the Loan as a demand revolving line of credit against which PTC will make advances (“Advances”) from time to time for the purpose of financing or refinancing the acquisition of Eligible Assets and Non-AML-Compliant Eligible Assets. Subject to the terms hereof, including without limitation Section 2.2, the Borrower shall have the right to obtain Advances, repay Advances and obtain additional Advances; however, all of the Advances hereunder shall be deemed to be a single loan. At no time shall (i) the unpaid principal balance of the Loan exceed the lesser of (x) the Borrowing Base, and (b) the Maximum Amount of Loan and (ii) all Advances of the Loan shall be made on or before the date set forth in Section 2.8 (“End Date”).

2.2 ADVANCES

Subject to the terms and conditions hereof, Advances of the Loan will be limited as follows:

- i. First Draw: A one-time Advance on December 1, 2016 to, among other things, repay the BFI Facility in full and the Management Debt in full, by delivery on December 1, 2016 of an Advance Request together with a current Borrowing Base Certificate.

- ii. Subsequent Draws for Eligible Assets: Advances to only purchase and refinance Eligible Assets from Approved Originators may be drawn on the last Business Day of each week by delivery of an Advance Request together with a current Borrowing Base Certificate no later than the Business Day prior to the requested Advance.
- iii. Subsequent Draws for Non-AML-Compliant Eligible Assets: Advances to only purchase and refinance Non-AML-Compliant Eligible Assets from Approved Originators may be drawn on the first Business Day of each week by delivery of an Advance Request together with a current Borrowing Base Certificate: (A) for the initial Advance Request of Non-AML-Compliant Eligible Assets, at least five (5) Business Days prior to the requested Advance; and (B) thereafter, no later than 9:00 a.m. (Pacific Time) on the Business Day prior to the requested Advance. Any such Advance Requests must state in Paragraph B of the Advance Request "Type/amount of Advance" after the amount of the Advance that the Advance is "to be used for Non-AML-Compliant Eligible Assets". The outstanding aggregate principal amount of all Advances to be used to purchase and refinance Non-AML-Compliant Eligible Assets shall not at any time exceed \$10,000,000. For greater certainty, the right to draw Advances to be used for Non-AML-Compliant Eligible Assets will not increase the Maximum Amount of Loan specified in Section 15.1. For further certainty, no Advance may be requested or drawn pursuant to this paragraph iii. to purchase and refinance any Lease Assets that are Eligible Assets or, in the sole and absolute discretion of PTC, are Lease Assets with respect to which the Borrower has not complied with the "know your customer" requirements imposed by any applicable anti-money laundering or anti-terrorist financing legislation for the primary purpose of categorizing such Lease Assets as Non-AML-Compliant Eligible Assets; it being the intention that, where reasonably possible, the Borrower shall meet all such "know your customer" requirements in respect of Lease Assets that the Borrower wishes to purchase and refinance with use of Advances.
- iv. Greypoint Capital Refinancing: Notwithstanding anything else contained herein, on or after January, 28 2022, the Borrower shall be permitted to request one Advance of up to \$3,500,000 (the "**Greypoint Advance**") for the purpose of refinancing existing Eligible Assets that were previously financed by Greypoint Capital (the "**Greypoint Assets**"). Following the Greypoint Advance, any of the Greypoint Assets not included in the Greypoint Advance which subsequently qualify as an Eligible Asset may then be included in the Borrowing Base and in any Advance that is otherwise compliant this Section 2.2. Any and all Greypoint Assets which do not qualify as an Eligible Asset shall be excluded from the calculation of the Borrowing Base when determining availability for other Advances after January, 28 2022.

Advances made pursuant to paragraphs ii. and iii. may not be used to purchase and refinance portfolios of Eligible Assets and/or Non-AML-Compliant Eligible Assets, but may only be used to purchase and refinance Eligible Assets and/or Non-AML-Compliant Eligible Assets in the ordinary course of business pursuant to Program Agreements.

An Advance Request may include Advances requested pursuant to one or both of paragraphs ii. and iii. No more than one Advance Request may be delivered per week. The aggregate amount requested pursuant to an Advance Request shall be no less than \$300,000.

No Advance shall cause the aggregate principal amount of Advances outstanding hereunder to exceed the Borrowing Base or the Maximum Amount of Loan. In addition to statutory holidays, PTC's offices close for lending annually between December 15th and January 2nd for the winter holidays. Hence, no Advances can occur during this period.

Cash reserves held by the Borrower in accordance with the Program Agreements shall be held in the Reserve Account and applied by the Borrower to shortfalls in respect of Leases as provided under the related Program Agreements. Without limiting the foregoing, the Borrower shall ensure that the amount on deposit in the Reserve Account shall be no less than 4% of the Outstanding Balances related to all Eligible Assets.

2.3 NON-AML-COMPLIANT ELIGIBLE ASSETS

All requirements and obligations imposed on the Borrower pursuant to this Agreement will be met and performed by the Borrower separately for:

- (a) all Eligible Assets; and
- (b) all Non-AML-Compliant Eligible Assets;

and, in meeting all such requirements and obligations with respect to any Non-AML-Compliant Eligible Assets, all references in this Agreement to "**Eligible Assets**" will be deemed to be references to "**Non-AML-Compliant Eligible Assets**".

As an example, where, pursuant to Section 8.1(b)(iii)(C) of this Agreement, the Borrower covenants to provide a Borrowing Base Certificate that includes a calculation of the Delinquency Rate, the Borrower shall provide one such Borrowing Base Certificate where the calculation of the Delinquency Rate includes only Eligible Assets, and one such Borrowing Base Certificate where the calculation of the Delinquency Rate includes only Non-AML-Compliant Eligible Assets.

2.4 NOTE

The Loan shall, at the request of PTC, be evidenced by a promissory note ("**Note**") in a form prepared and approved by PTC in the Maximum Amount of Loan, payable in accordance with the terms thereof.

2.5 INTEREST AND PAYMENTS

Subject to the following sentence, Interest on the principal amounts of the Advances outstanding from time to time shall be the per annum rate specified in Section 15 as the "**Interest on the Loan**" (the "**Interest Rate**") as adjusted below and should such rates of interest as calculated thereunder exceed that allowed by law, the applicable rate of interest will be the maximum rate of interest allowed by applicable law. Interest on the principal amounts of the Non-AML-Compliant Eligible Asset Advances outstanding from time to time shall be the per annum rate specified in Section 15 as the "**Interest on the Non-AML Compliant Portion of the Loan**" (the "**Non-AML-Compliant Interest Rate**") as adjusted below and should such rates of interest as calculated thereunder exceed that allowed by law, the applicable rate of interest will be the maximum rate of interest allowed by applicable law.

Subject to the following sentence, Interest on the principal amount of the Advances outstanding from time to time will be calculated and compounded monthly, not in advance, at the Interest Rate, both before and after maturity and default, and with interest on overdue interest at the same rate, until payment in full has been made of the principal amount and all accrued interest. Interest on the principal amount of the Non-AML-Compliant Eligible Asset Advances outstanding from time to time will be

calculated and compounded monthly, not in advance, at the Non-AML-Compliant Interest Rate, both before and after maturity and default, and with interest on overdue interest at the same rate, until payment in full has been made of the principal amount and all accrued interest.

All interest hereunder shall be payable for the actual number of days elapsed (including the first day and the last day).

If the Delinquency Rate for the Low Score Leases included in the Borrowing Base exceeds, at any time during any Reporting Period, 8% (the amount of any excess being the “**Excess LS Delinquencies**”), a Delinquency Rate Reimbursement (an “**Excess LS Delinquencies Reimbursement**”) shall be paid by the Borrower to PTC for each Reporting Period (that is, each calendar month) during which such Delinquency Rate had exceeded 8%. For greater certainty, the Borrower and PTC agree that any such Excess LS Delinquencies Reimbursement is not and shall not be deemed to be a penalty or fee in any way, but rather a true representation of the costs that PTC shall incur in respect of the monitoring, analyzing and reporting on the Excess LS Delinquencies.

If the Delinquency Rate for the Low Value Leases included in the Borrowing Base exceeds, at any time during any Reporting Period, 10% (the amount of any excess being the “**Excess LV Delinquencies**”), a Delinquency Rate Reimbursement (an “**Excess LV Delinquencies Reimbursement**”) shall be paid by the Borrower to PTC for each Reporting Period (that is, each calendar month) during which such Delinquency Rate had exceeded 10%. For greater certainty, the Borrower and PTC agree that any such Excess LS Delinquencies Reimbursement is not and shall not be deemed to be a penalty or fee in any way, but rather a true representation of the costs that PTC shall incur in respect of the monitoring, analyzing and reporting on the Excess LV Delinquencies.

For greater certainty, both an Excess LS Delinquencies Reimbursement and an Excess LV Delinquencies Reimbursement may be payable by the Borrower to PTC for the same Reporting Period.

Accrued interest on the Loan shall be payable in arrears on the first (1st) day of each month and upon termination of the commitments hereunder (including upon the occurrence of the End Date).

The Borrower, Guarantor and PTC confirm that the initial cash payment in respect of any Eligible Asset purchased by PTC pursuant to the Sale and Servicing Agreement prior to December 1, 2016 has been deemed to have been paid to the Borrower in accordance with the Sale and Servicing Agreement and then repaid to PTC and applied toward the repayment of principal owing on the Loan in accordance with this Agreement. For greater certainty, this paragraph shall not apply to any Non-AML-Compliant Eligible Assets.

The Borrower shall pay to PTC on the End Date or other date of maturity of the Note or Loan, whether by acceleration or otherwise, the aggregate principal amount of all amounts of Advances outstanding on such date.

All payments and prepayments of principal, interest and fees under this Agreement and the Note and Loan shall be made to PTC prior to 12:00 p.m. (noon), Pacific time, in immediately available funds and for the ratable benefit of PTC.

2.6 PREPAYMENTS

If for any reason the aggregate principal amount of the Loan outstanding at any time shall exceed the lesser of (i) the Maximum Amount of the Loan and (ii) the Borrowing Base at such time, the Borrower, without notice or demand, shall immediately make a principal payment to PTC in an amount equal to such excess plus accrued and unpaid interest thereon. If any fine, penalty, sanction, order or other

liability if imposed upon or determined against any of the Borrower, PTC or any Originator in connection with or relating to any Eligible Asset the purchase of which was financed by an Advance hereunder, such Lease Asset shall cease to be an Eligible Asset and the Borrower shall immediately, make a principal payment to PTC in an amount equal to the Advance made in connection with the relevant Eligible Asset. The Borrower may from time to time, prepay all or part of the outstanding principal balance of the Loan provided that in the event of any prepayment prior to the expiration of ninety (90) days from the date hereof, the Borrower shall pay to PTC an amount equal to the interest that would otherwise have been payable under the Note from the date of the prepayment until the end of such ninety (90) days.

Notwithstanding anything else contained herein to the contrary, if on the date that is 6 months after January 28, 2022, any Lease Assets that are included in the calculation of the Borrowing Base are Non-Billing RNC Leases, then a portion of the Loans in an amount equal to the Outstanding Balance of all Lease Assets that are at that time Non-Billing RNC Leases shall be automatically converted into a term loan (the “**Non-Billing RNC Lease Term Loan**”) with the following terms and conditions:

- (a) the Non-Billing RNC Lease Term Loan shall have a term of 3 months (with the last day of such term being the “**Non-Billing RNC Lease Term Loan Maturity Date**”);
- (b) the Non-Billing RNC Lease Term Loan shall accrue interest on the outstanding principal amount thereof at the per annum rate set forth in Section 15;
- (c) the Borrower shall make blended monthly payments of principal and interest on the Non-Billing RNC Lease Term Loan such that the outstanding principal amount thereof will be completely repaid by the Non-Billing RNC Lease Term Loan Maturity Date;
- (d) the Borrower shall be permitted at any time without notice or penalty to prepay any or all of the outstanding principal amount of the Non-Billing RNC Lease Term Loan, along with any accrued and unpaid interest thereon; and
- (e) upon conversion of the Loan into the Non-Billing RNC Lease Term Loan, all Non-Billing RNC Leases shall be excluded from the calculation of the Borrowing Base and the Borrower shall, if necessary, make a prepayment in accordance with the first paragraph of this Section 2.6.

2.7 REMITTANCE ACCOUNT

The Collections received by Borrower from its collection of Leases, excluding Leases purchased under the Sale and Servicing Agreement, which have been assigned, by way of security pursuant to Section 3.1, shall be remitted to the Collections Account and subject to the terms of the Blocked Account Agreement.

2.8 END DATE / RENEWAL

- (a) The Loans shall mature and be repayable on the End Date specified in Section 15. Notwithstanding the foregoing, the End Date may be extended by PTC for an additional 6 months by written notice to the Borrower, such notice to be sent no earlier than 6 months prior to the scheduled End Date and no later than 4 months prior to the scheduled End Date. Upon such extension, the End Date shall be deemed to be such date 6 months following the scheduled End Date for all purposes hereunder until further extended by PTC pursuant to this Section 2.8.

3. SECURITY

3.1 SECURITY

As security for the payment of the Note, the Loan, and all other liabilities and obligations of Borrower to PTC, now existing or hereafter created, Borrower shall grant a security interest in and set over to PTC, all of the Borrower's present and after-acquired personal property, including without limitation, all of the Borrower's rights, titles and interests in all of Borrower's Lease Assets ("**Security**"); and any cash flow and proceeds therefrom. Such assignment, pledge and security interest shall be granted by way of the Security Agreement and such other instruments or specific assignments, by way of security, and shall be registered and perfected under applicable personal property security legislation in all required jurisdictions, in each case, as determined by PTC in its sole discretion.

3.2 RESTRICTIONS

Borrower shall be free to sell, assign or convey any Eligible Assets to any Person provided that (i) the Borrower offers to sell, assign or convey any Eligible Assets firstly to PTC, on substantially similar terms (ii) PTC declines to purchase such Eligible Assets on such terms, and following any such sale, assignment and conveyance, (iii) the aggregate amount of all outstanding Advances shall not exceed the Borrowing Base at any time and (iv) the Borrower shall within 15 days of such sale, assignment and conveyance either (A) deliver to PTC an amount equal to 100% of the net proceeds of such sale, assignment and conveyance as a prepayment of the amounts outstanding under the Advances or (B) use such net proceeds to purchase and refinance additional Eligible Assets. For greater certainty, the right of first refusal granted to PTC in paragraphs (i) and (ii) of this Section 3.2 will not apply to any proposed sale, assignment or conveyance of any Non-AML-Compliant Eligible Assets, and the remaining conditions in this Section 3.2 will apply to any such sale, assignment or conveyance of any Non-AML-Compliant Eligible Assets

3.3 ADDITIONAL DOCUMENTS

Borrower or the Trustee as applicable shall execute from time to time upon the request of PTC, a standard Blocked Account Agreement in respect of the Collections Account and the Reserve Account and such financing statements or other documents as reasonably required by PTC to perfect or continue PTC's rights, titles and interests in the Leases. For greater certainty, such Blocked Account Agreement shall permit Borrower to withdraw funds from the Collections Account and the Reserve Account unless and until "activated" by PTC on the occurrence of an Event of Default.

4. GUARANTEE

4.1 GUARANTOR

Guarantor shall grant and execute in favour of PTC a guarantee (the "**Guarantee**") whereby the Guarantor shall irrevocably and unconditionally guarantee to PTC the due and punctual payment in full of the Note, Loan, and all other liabilities and obligations of Borrower to PTC hereunder when the same shall become due, and such Guarantee shall be in form and content satisfactory to PTC in its sole discretion.

5. CONDITIONS PRECEDENT

5.1 CONDITIONS PRECEDENT TO ADVANCES

In addition to the conditions set out in Section 2.2, PTC shall have no obligation to make any Advance until the conditions set forth in the following subparagraphs and elsewhere herein have been satisfied at the expense of the Borrower, as determined by PTC in its sole and absolute discretion:

(a) each Credit Party shall have delivered, or cause to be delivered, to PTC, in form and substance satisfactory to PTC, this Agreement, the Note, the Security Agreement, the Blocked Account Agreement and the Guarantee, and such other documents, instruments, financing statements, certificates, legal opinions, and agreements as PTC may reasonably request (collectively, the "**Loan Documents**");

An increase in the discount rate may not exceed the net increase in BMO Prime during the calendar year during which the notice is given.

1.3 AMENDMENTS TO DEFINITION OF ELIGIBLE ASSET

If, at any time, PTC determines, acting reasonably, that there has been a material change in the information contained in a Borrowing Base Certificate from the information contained in any previous Borrowing Base Certificate, then PTC may elect by notice in writing to the Borrower and the Guarantor to amend the definition of Eligible Asset so that it contains one or more of the following additional requirements:

- (a) if the Lease Asset is a Low Score Lease, then the Outstanding Balance of such Lease Asset, together with the Outstanding Balances of all Leases relating to Leased Assets that are Low Score Leases, does not exceed 5% of the Outstanding Balance of all Lease Assets at such time; and

2. LOAN

2.1 LOAN

Subject to the terms and conditions contained in this Agreement and in the other documents, instruments and agreements executed in connection with the Loan, including without limitation, the Security Agreement and the other Loan Documents, PTC will establish for the Borrower the Loan as a demand line of credit against which PTC will make a single one-time advance (the "Advance") for the purpose of repaying the BFI Facility. At no time shall (i) the unpaid principal balance of the Loan exceed the lesser of (a) the Borrowing Base, and (b) the Maximum Amount of Loan . The Advance of the Loan shall be made on or before the date set forth in Section 2.8 ("End Date").

2.2 ADVANCE

Subject to the terms and conditions hereof, the Advance of the Loan will be limited to a single one-time Advance on or around May 29, 2019 to repay a portion of the total amount required to repay in full the BFI Facility, by delivery on May 29, 2019 of an Advance Request together with a current Borrowing Base Certificate. For the purposes of this Advance only, it will not be a requirement that the Eligible Assets used in calculating the Borrowing Base for the Borrowing Base Certificate are Lease Assets for which the related Originator is an Approved Originator.

The aggregate principal amount of the Advance shall not exceed the Borrowing Base or the Maximum Amount of Loan.

Cash reserves held by the Borrower in accordance with the Program Agreements shall be held in the Reserve Account and applied by the Borrower to shortfalls in respect of Leases as provided under the related Program Agreements. Without limiting the foregoing, the Borrower shall ensure that the amount on deposit in the Reserve Account shall be no less than 4% of the Outstanding Balances related to all Eligible Assets.

2.3 NON-AML-COMPLIANT ELIGIBLE ASSETS

All requirements and obligations imposed on the Borrower pursuant to this Agreement will be met and performed by the Borrower separately for:

- (a) all Eligible Assets; and
- (b) all Non-AML-Compliant Eligible Assets;

and, in meeting all such requirements and obligations with respect to any Non-AML-Compliant Eligible Assets, all references in this Agreement to "Eligible Assets" will be deemed to be references to "Non-AML-Compliant Eligible Assets".

As an example, where, pursuant to Section 8.1(b)(iii)(C) of this Agreement, the Borrower covenants to provide a Borrowing Base Certificate that includes a calculation of the Delinquency Rate, the Borrower shall provide one such Borrowing Base Certificate where the calculation of the Delinquency Rate includes only Eligible Assets, and one such Borrowing Base Certificate where the calculation of the Delinquency Rate includes only Non-AML-Compliant Eligible Assets.

2.4 NOTE

The Loan shall be evidenced by a promissory note ("Note") dated May 29, 2019 in a form prepared and approved by PTC in the Maximum Amount of Loan, payable in accordance with the terms thereof.

2.5 INTEREST AND PAYMENTS

Subject to the following sentence, Interest on the principal amounts of the Advance outstanding from time to time shall be the per annum rate specified in Section 15 as the "Interest on the Loan" (the "Interest Rate") as adjusted below and should such rates of interest as calculated thereunder exceed that allowed by law, the applicable rate of interest will be the maximum rate of interest allowed by applicable law. Interest on the principal amounts of the Non-AML-Compliant Eligible Asset Advance outstanding from time to time shall be the per annum rate specified in Section 15 as the "Interest on the Non-AML Compliant Portion of the Loan" (the "Non-AML-Compliant Interest Rate") as adjusted below and should such rates of interest as calculated thereunder exceed that allowed by law, the applicable rate of interest will be the maximum rate of interest allowed by applicable law.

Subject to the following sentence, Interest on the principal amount of the Advance outstanding from time to time will be calculated and compounded monthly, not in advance, at the Interest Rate, both before and after maturity and default, and with interest on overdue interest at the same rate, until payment in full has been made of the principal amount and all accrued interest. Interest on the principal amount of the Non-AML-Compliant Eligible Asset Advance outstanding from time to time will be calculated and compounded monthly, not in advance, at the Non-AML-Compliant Interest Rate, both before and after maturity and default, and with interest on overdue interest at the same rate, until payment in full has been made of the principal amount and all accrued interest.

All interest hereunder shall be payable for the actual number of days elapsed (including the first day and the last day).

If the Delinquency Rate for the Low Score Leases included in the Borrowing Base exceeds, at any time during any Reporting Period, 8% (the amount of any excess being the "Excess LS Delinquencies"), a Delinquency Rate Reimbursement (an "Excess LS Delinquencies Reimbursement") shall be paid by the Borrower to PTC for each Reporting Period (that is, each calendar month) during which such Delinquency Rate had exceeded 8%. For greater certainty, the Borrower and PTC agree that any such Excess LS Delinquencies Reimbursement is not and shall not be deemed to be a penalty or fee in any way, but rather a true representation of the costs that PTC shall incur in respect of the monitoring, analyzing and reporting on the Excess LS Delinquencies.

If the Delinquency Rate for the Low Value Leases included in the Borrowing Base exceeds, at any time during any Reporting Period, 10% (the amount of any excess being the "Excess LV Delinquencies"), a Delinquency Rate Reimbursement (an "Excess LV Delinquencies Reimbursement") shall be paid by the Borrower to PTC for each Reporting Period (that is, each calendar month) during which such Delinquency Rate had exceeded 10%. For greater certainty, the Borrower and PTC agree that any such Excess LS Delinquencies Reimbursement is not and shall not be deemed to be a penalty or fee in any way, but rather a true representation of the costs that PTC shall incur in respect of the monitoring, analyzing and reporting on the Excess LV Delinquencies.

For greater certainty, both an Excess LS Delinquencies Reimbursement and an Excess LV Delinquencies Reimbursement may be payable by the Borrower to PTC for the same Reporting Period.

Accrued interest on the Loan shall be payable in arrears on the first (1st) day of each month and upon termination of the commitments hereunder (including upon the occurrence of the End Date).

The Borrower, Guarantor and PTC confirm that the initial cash payment in respect of any Eligible Asset purchased by PTC pursuant to the Sale and Servicing Agreement prior to May 29, 2019 has been deemed to have been paid to the Borrower in accordance with the Sale and Servicing Agreement and then repaid to PTC and applied toward the repayment of principal owing on the Loan in accordance with this Agreement. For greater certainty, this paragraph shall not apply to any Non-AML-Compliant Eligible Assets.

The Borrower shall pay to PTC on the End Date or other date of maturity of the Note or Loan, whether by acceleration or otherwise, the aggregate principal amount of the Advance outstanding on such date.

All payments and prepayments of principal, interest and fees under this Agreement and the Note and Loan shall be made to PTC prior to 12:00 p.m. (noon), Pacific time, in immediately available funds and for the ratable benefit of PTC.

2.6 PREPAYMENTS

If for any reason the aggregate principal amount of the Loan outstanding at any time shall exceed the lesser of (i) the Maximum Amount of the Loan and (ii) the Borrowing Base at such time, the Borrower, without notice or demand, shall immediately make a principal payment to PTC in an amount equal to such excess plus accrued and unpaid interest thereon. 2.4 NOTE

At PTC’s request, the Borrower shall execute a promissory note (“**Note**”) evidencing the Loan, in a form prepared and approved by PTC in the Maximum Amount of Loan, payable in accordance with the terms thereof.

2.5 INTEREST AND PAYMENTS

Interest on the principal amounts of the Advances outstanding from time to time shall accrue at the per annum rate specified in Section 15 as the "Interest on the Loan" (the "**Interest Rate**") as adjusted below and should such rates of interest as calculated thereunder exceed that allowed by law, the applicable rate of interest will be the maximum rate of interest allowed by applicable law.

Interest on the principal amount of the Advances outstanding from time to time will be calculated and compounded monthly, not in advance, at the Interest Rate, both before and after maturity and default, and with interest on overdue interest at the same rate, until payment in full has been made of the principal amount and all accrued interest.

All interest hereunder shall be payable for the actual number of days elapsed (including the first day and the last day).

If the Delinquency Rate for the Low Score Leases included in the Borrowing Base exceeds, at any time during any Reporting Period, 8% (the amount of any excess being the "**Excess LS Delinquencies**"), a Delinquency Rate Reimbursement (an "**Excess LS Delinquencies Reimbursement**") shall be paid by the Borrower to PTC for each Reporting Period (that is, each calendar month) during which such Delinquency Rate had exceeded 8%. For greater certainty, the Borrower and PTC agree that any such Excess LS Delinquencies Reimbursement is not and shall not be deemed to be a penalty or fee in any way, but rather a true representation of the costs that PTC shall incur in respect of the monitoring, analyzing and reporting on the Excess LS Delinquencies.

If the Delinquency Rate for the Low Value Leases included in the Borrowing Base exceeds, at any time during any Reporting Period, 10% (the amount of any excess being the "**Excess LV Delinquencies**"), a Delinquency Rate Reimbursement (an "**Excess LV Delinquencies Reimbursement**") shall be paid by the Borrower to PTC for each Reporting Period (that is, each calendar month) during which such Delinquency Rate had exceeded 10%. For greater certainty, the Borrower and PTC agree that any such Excess LS Delinquencies Reimbursement is not and shall not be deemed to be a penalty or fee in any way, but rather a true representation of the costs that PTC shall incur in respect of the monitoring, analyzing and reporting on the Excess LV Delinquencies.

For greater certainty, both an Excess LS Delinquencies Reimbursement and an Excess LV Delinquencies Reimbursement may be payable by the Borrower to PTC for the same Reporting Period.

Accrued interest on the Loan shall be payable in arrears on the first (1st) day of each month and upon termination of the commitments hereunder (including upon the occurrence of the End Date).

The Borrower shall pay to PTC on the End Date or other date of maturity of the Note or Loan, whether by acceleration or otherwise, the aggregate principal amount of all amounts of Advances outstanding on such date.

All payments and prepayments of principal, interest and fees under this Agreement and the Note and Loan shall be made to PTC prior to 12:00 p.m. (noon), Pacific time, in immediately available funds and for the ratable benefit of PTC.

2.6 PREPAYMENTS

If any fine, penalty, sanction, order or other liability is imposed upon or determined against any of the Borrower, PTC or any Approved Originator in connection with or relating to any Eligible Asset the purchase of which was financed by an Advance hereunder, such Lease Asset shall cease to be an Eligible Asset and the Borrower shall immediately, make a principal payment to PTC in an amount equal to the Advance made in connection with the relevant Eligible Asset. The Borrower may from time to time, prepay all or part of the outstanding principal balance of the Loan provided that in the event of any prepayment prior to the expiration of ninety (90) days from the date hereof, the Borrower shall pay to PTC an amount equal to the interest that would otherwise have been payable under the Note from the date of the prepayment until the end of such ninety (90) days.

2.7 REMITTANCE ACCOUNT.

The Collections received by Borrower from its collection of Leases which have been assigned, by way of security pursuant to Section 3.1, shall be remitted to the Collections Account and subject to the terms of the Blocked Account Agreement.

2.8 END DATE / RENEWAL

The Loans shall mature and be repayable on the End Date specified in Section 15. Notwithstanding the foregoing, the End Date may be extended by PTC for an additional 6 months by written notice to the Borrower, such notice to be sent no earlier than 6 months prior to the scheduled End Date and no later than 4 months prior to the scheduled End Date. Upon such extension, the End Date shall be deemed to be such date 6 months following the scheduled End Date for all purposes hereunder until further extended by PTC pursuant to this Section 2.8.

2.9 REMOVAL OF ELIGIBLE ASSETS

The Borrower may from time to time remove Eligible Assets from the Borrowing Base by selling such Eligible Assets to third parties or funding them with a different Contract Lender provided, however, that at the time of such removal or prior, the Borrower has repaid the Facility in the amount, if any, necessary to ensure that the Loan will not exceed the Borrowing Base as a result thereof. Any repayment of the Facility in connection with this Section 2.9 shall not require a Prepayment Notice or require the payment of any prepayment fee or penalty of any kind. PTC agrees to execute such releases and discharges as may be necessary to release its interests in any Eligible Assets removed from the Borrowing Base as contemplated hereunder.

This Agreement is made solely among Borrower, the Guarantor and PTC, no other Person shall have any right of action hereunder. The parties expressly agree that no Person shall be a third-party beneficiary to this Agreement.

14.2 INDEMNITY

Borrower agrees to indemnify PTC and each of its directors, officers, employees, trustees, advisors and agents (each such Person being called an "**Indemnitee**") against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable legal fees (on a solicitor and own client basis), disbursements and other charges, incurred by or asserted or awarded against any Indemnitee arising out of, in any way connected with, or as a result of (i) the execution or delivery of this Agreement, any other Loan Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto or thereto of their respective obligations hereunder or thereunder or the consummation of the transactions contemplated hereby or thereby, (ii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto, (iii) any claim made against the Borrower in any capacity, any Indemnitee or any Approved Originator by any Obligor arising from, in connection with or relating to the performance of observance of any of the Borrower's or Approved Originator's respective covenants, duties or obligations hereunder, in respect of or relating to any of the Lease Assets, (iv) the failure of the Borrower in any capacity or any Approved Originator to perform or observe any of its respective covenants, duties or obligations hereunder, in respect of or relating to any of the Lease Assets or (v) any fine, penalty, sanction, order, or other liability imposed upon or determined against any of the Borrower, in any capacity, any Indemnitee or any Approved Originator by any Governmental Authority in connection with or relating to any Lease Asset; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses have resulted from the gross negligence

or wilful misconduct of any Indemnitee. The provisions of this Section 14.2 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of the Loan, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of PTC. All amounts due under this Section 14.2 shall be payable promptly after written demand therefor.

14.3 ENTIRE AGREEMENT

This Agreement including the Schedules attached hereto and by this reference incorporated herein, together with all other documents hereto, constitutes the entire agreement of the parties hereto and thereto, and no prior agreement or understanding with respect to the Loan, whether written or oral and including, but not limited to, any loan commitment issued by PTC to Borrower, shall be of any further force or effect, all such other prior agreements and commitments having been superseded in their entirety by this Agreement. The effect of this Agreement is to amend and restate the First Restated Agreement in its entirety to read as set forth herein as of the Amendment Effective Date. Any reference to the Original Agreement or the First Restated Agreement shall mean this Agreement (as may be further amended, amended and restated or supplemented from time to time).

14.4 ASSIGNMENT

This Agreement shall enure to the benefit of and be binding upon the parties hereto and their respective successors and permitted assigns; provided, however, that neither this Agreement nor any rights or obligations hereunder shall be assignable by Borrower without the prior express written consent of PTC first having been obtained, and any purported assignment made in contravention hereof shall be void. Only after the occurrence and during the continuance of an Event of Default, PTC may assign any part of or all of the Loan and its rights and obligations hereunder in its sole discretion. PTC may participate all or any portion of the Loan to such other party or parties as PTC shall select provided that any disclosure of information provided to any participant shall be subject to Section 14.9.

14.5 GOVERNING LAW

This Agreement shall be construed in accordance with and governed by the laws of the Province of British Columbia and the federal laws of Canada applicable therein (without regard to the conflicts of laws rules of the Province of British Columbia).

14.6 TIME

Time is of the essence hereof.

14.7 SURVIVAL

The representations and warranties hereunder shall survive the closing of the Loan and PTC may enforce such representations and warranties at any time. The covenants of the Credit Parties shall

survive the closing of the Loan and shall be performed fully and faithfully by the Credit Parties at all times. The indemnities of Borrower shall survive repayment of the Loan.

14.8 SEVERABILITY

If any term or provision of this Agreement or any other document, or the application thereof to any circumstance, shall be invalid, illegal or unenforceable to any extent, such term or provision shall not invalidate or render unenforceable any other term or provision of this Agreement or any other Loan Document, or the application of such term or provision to any other circumstance. To the extent permitted by law, the parties hereto hereby waive any provision of law that renders any term or provision hereof invalid or unenforceable in any respect.

14.9 CONFIDENTIALITY

Each party hereto will maintain on a confidential basis (except as otherwise permitted hereunder or as required by applicable law) all information relating to the other party provided to it hereunder by the other parties; provided, however, that this Section shall not apply to any information which (i) was lawfully in the public domain at the time of communication to the first party, (ii) lawfully enters the public domain through no fault of the first party subsequent to the time of communication to the first party, (iii) was lawfully in possession of the first party free of any obligation of confidence at the time of communication to the first party, (iv) was lawfully communicated to the first party free of any obligation of confidence subsequent to the time of initial communication to the first party or (v) was lawfully communicated to any Person free from any obligation of confidence subsequent to the time of communication to the first party.

14.10 INCENTIVES

On the delivery to PTC of a report under Section 8.1(b)(vi) that is satisfactory to PTC, PTC may, in its sole discretion, elect to provide an inducement to the Borrower in respect of such satisfactory report. Such inducement shall be at PTC's sole discretion, but by way of example may include an interest rebate, discount or any other inducement PTC sees fit.

1.02 Plurality and Gender, etc. Words importing the singular number shall include the plural and vice versa, and words importing the masculine gender shall include the feminine gender and neuter gender.

1.03 Headings. The headings of the articles, paragraphs and sections hereof are inserted for convenience of reference only and shall not affect the construction or interpretation of this debenture.

1.04 Applicable Law. This debenture shall be construed in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein and shall be treated in all respects as an Ontario contract.

1.05 Accounting Terms. All accounting terms used herein shall, unless the context otherwise requires, or unless specifically defined herein, have the meanings attributed thereto in accordance with generally accepted accounting principles which are approved by the Canadian Institute of Chartered Accountants as set forth in the publication known as the “CICA Handbook”.

ARTICLE II INDEBTEDNESS

2.01 Promise to Pay. The Corporation, for value received, hereby acknowledges itself indebted and promises to pay upon the expiry of the Initial Term (or such earlier date as the same may become payable as hereinafter provided), upon presentation and surrender of this debenture at the Corporation’s head office at 200 Yorkland Boulevard, Suite 1201, Toronto, Ontario, M2J 5C1 (or at such other place in Canada as the Corporation may designate by notice in writing to the Holder) to or to the order of the Holder the principal sum of TEN MILLION DOLLARS in lawful money of Canada (CAD \$10,000,000) and all other amounts now or hereafter payable hereunder, together with interest thereon in accordance with the provisions of section 2.02, in the

Convertible Debenture

case of the aforesaid principal amount, from the date hereof, and in the case of costs, charges and expenses from the date on which they were incurred and in the case of all other amounts, from the date on which such other amounts are payable (such principal amount together with all interest and all other amounts now or hereafter payable hereunder being referred to herein collectively as the “**Indebtedness**”)

2.02 Interest. The Corporation shall pay to the Holder during the Initial Term, interest on the outstanding principal amount from time to time of the Indebtedness for each Interest Period at a rate equal to the sum of the BMO Prime rate plus five and three-tenths percent (5.3%) per annum (the “**Interest Rate**”), compounded monthly and based on a year of 360 days. If the Corporation fails to pay any amount of any nature payable by it hereunder on the due date therefor, the Corporation shall pay interest on such overdue amount from and including such due date to but excluding the date of actual payment (as well after as before judgment) at the rate per annum, calculated and compounded quarterly, equal to fifteen percent (15%). Such interest on overdue amounts shall become due and be paid on demand made by the Holder.

2.03 Conversion of Indebtedness to Term Loan. Notwithstanding anything contained in Section 2.01, in the event that the Holder declines to exercise its conversion rights in accordance with Section 5.01 hereof, immediately thereafter, the total outstanding amount of the Indebtedness as at June 30, 2019 shall automatically convert into a five (5) year term loan, amortized over a period of ten (10) years (the “**Term Loan**”). The interest payable on the Term Loan shall (i) for the first five (5) years of the Term Loan be equal to the Interest Rate (calculated as and from the date of conversion of the Indebtedness to a Term Loan), and (ii) anytime thereafter, be equal to the Interest Rate or as otherwise agreed to between the Holder and Corporation, each acting reasonably. If the Holder and the Corporation cannot agree on the applicable Interest Rate after the first five (5) years of the Term Loan, the Holder may present and surrender this debenture as contemplated in Section 2.01 and the Term Loan and accrued interest thereon shall be due on such presentation and surrender. The Term Loan shall be paid by the Corporation in blended payments of principal and interest, which payments shall be due and payable on the 1st day of each calendar month in equal blended payments, with the first such monthly payment commencing on the 1st day of August, 2019 and each month thereafter, for the duration of the Term Loan.

2.04 Calculation and Payment of Interest.

(a) Interest on the outstanding Indebtedness from time to time shall accrue from day to day from and including the date hereof to but excluding the date on which all Indebtedness repaid in full or converted to Common Shares in accordance with the terms hereof (but only to the extent so converted). For the purposes hereof, whenever interest is calculated on the basis of a year of 360 days, each rate of interest determined pursuant to such calculation expressed as an annual rate for the purposes of the *Interest Act* (Canada) is equivalent to such rate as so determined multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by 360.

(b) The Corporation agrees to make interest payments on the first day of each month on the outstanding Indebtedness from time to time at an amount equal to the Interest Rate.

ARTICLE III REPRESENTATIONS AND WARRANTIES

3.01 Capital of the Corporation. The authorized and issued share capital of the Corporation consists of an unlimited number of Common Shares, of which 1,883,961 Common Shares are issued and outstanding as fully paid and non-assessable. There are no options, warrants or other rights existing on the part of any person to acquire any shares in the capital of the Corporation other than (i) a warrant dated June 7, 2017 issued to Element Investment Corp., (ii) employee stock options granted under the Corporation's stock option plan to certain employees pursuant to the terms of their employment contracts representing in aggregate options to purchase 123,355 Common Shares and this debenture.

3.02 Authority. The Corporation is duly authorized and empowered to enter into this debenture and to do all things and acts necessary to grant the conversion rights set out in Article V hereof.

3.03 Survival of Representations and Warranties. The foregoing representations and warranties shall be regarded for all purposes as having been made on and as of the date on which the Holder advanced the principal amount hereof and shall survive such advance of funds and shall continue in full force and effect for the benefit of the Holder, notwithstanding any investigation made at any time by or on behalf of the Holder.

ARTICLE IV SECURITY

4.01 General Security Agreement. The Corporation and the Holder hereby agree that the Guarantee and General Security Agreement shall secure the due payment of the Indebtedness and the performance by the Corporation of its obligations and covenants hereunder (collectively, the ("Security")).

4.02 Defeasance. The Holder shall, at the written request and at the expense of the Corporation, cancel and discharge all charges and liens hereof and execute and deliver to the Guarantor such deeds or other instruments as shall be requisite to discharge the charges and liens under the General Security Agreement, and to reconvey to the Guarantor the property subject to the charges and liens under the General Security Agreement free and clear of such charges and liens and to effect the cancellation of the registration thereof, and to release the Corporation from the covenants herein contained if the Corporation shall have first paid all of the Indebtedness to the extent, at the times and in the manner provided for herein.

ARTICLE V CONVERSION RIGHTS

5.01 Conversion Right and Price. Upon and subject to the provision and conditions of this Article, in the event that any of the Indebtedness remains outstanding on June 30, 2019, then, on such date, the Holder shall have the right, at its option, to convert the whole of the principal amount of this debenture outstanding as at June 30, 2019 into fully paid and non-assessable Common Shares at a conversion price (the “**Conversion Price**”) equal to a 20% discount to the offering price per Common Share (or subscription receipt) at the time of conversion. For greater certainty, the Conversion Price shall be based on the greater of: (i) the price per Common Share in the Corporation’s most recent equity raise (provided such raise has occurred no later than 6 months prior to the date of the proposed conversion) or (ii) an independent third party valuation of the Corporation in a manner agreed to by both the Holder and Corporation, acting reasonably. Upon conversion, the number of Common Shares to be issued to the Holder will be that certain number of Common Shares which are equivalent in value to the principal amount of this debenture outstanding as at June 30, 2019 at the Conversion Price, meaning, in other words, that the Holder will receive a 20% premium upon the conversion of this debenture into Common Shares, because of the 20% discount to the offering price per Common Share.

5.02 Failure to Exercise Conversion Option. If the Holder declines to exercise its option to convert the whole of the principal amount of this debenture outstanding on June 30, 2019 into fully paid and non-assessable Common Shares in accordance with Section 5.01 hereof, the right of conversion shall be deemed to have expired, and the Indebtedness thereunder shall automatically convert to a term loan in accordance with Section 2.03.

5.03 Board Rights upon Conversion. Upon the conversion of this debenture into Common Shares, the Holder shall have the right to nominate one representative to serve as a member of the board of directors of the Corporation, until such time as the Holder ceases to be, directly or indirectly, a shareholder of the Corporation. The Holder may at any time without the approval of the Corporation remove such nominating Holder’s director and replace such director by depositing written notice at the Corporation’s registered office and sending a copy thereof to such director; provided that a majority of the shareholders of the Corporation consent to the nominated person acting as a director.

5.04 Manner of Exercise of Conversion Right.

(a) Such conversion may be effected by the surrender of this debenture at the office of the Corporation, accompanied by a written instrument of surrender signed by the Holder notifying the Corporation as to the exercise of the right of conversion and specifying the amount of principal hereunder in respect of which this debenture is converted and setting forth the name and address of the person(s) in whose name(s) the shares issuable upon such conversion are to be registered. For greater certainty, no conversion in part or in whole of the principal hereof shall extinguish or satisfy, or relieve the Corporation of its obligation to pay, any interest on such principal amount, or interest on such interest, accruing prior to the effective date of such conversion.

(b) As promptly as practicable after the surrender of this debenture for conversion, the Corporation shall issue to the Holder or its nominee(s) a certificate or certificates representing the number of fully paid and non-assessable Common Shares into which all or any portion of the principal amount hereof has been converted.

(c) In the event that any amounts remain outstanding hereunder after giving effect to such conversion, the Corporation shall issue a new debenture, in form identical to this debenture, *mutatis mutandis*, save that it shall be equal in principal amount to the amount of the Indebtedness outstanding hereunder immediately following such conversion.

(d) No fractional share or scrip representing a fractional share shall be required to be issued upon the conversion of this debenture. If the conversion of this debenture would otherwise result in a fractional share, the Corporation shall, in lieu of issuing such fractional share, pay to the Holder an amount equal to Conversion Price for a whole share.

(e) The conversion of this debenture shall be deemed to have been made at the close of business on the date (the “**Date of Conversion**”) on which this debenture is surrendered for conversion, so that the Holder’s rights in respect of the converted portion shall terminate at such time, and the person or persons entitled to receive shares into which the whole or any part of this debenture is converted shall be treated, as between the Corporation and such person or persons, as having become the holder or holders of record of such shares at such time.

5.05 Adjustment of Conversion Price and Conversion Rights. The Conversion Price and the securities into which this debenture shall be convertible shall be subject to adjustment from time to time as follows:

(a) If and whenever there is a capital reorganization of the Corporation not otherwise provided for in this section 5.05 or a consolidation, merger or amalgamation of the Corporation with or into another body corporate (any such event being called a “**Capital Reorganization**”), the Holder, if it has not exercised its right of a conversion prior to the record date for such Capital Reorganization shall be entitled to receive and shall accept, upon the exercise of such right at any time after the record date for such Capital Reorganization, in lieu of the number of Common Shares to which it was theretofore entitled on conversion, the aggregate number of shares or other securities of the Corporation or the body corporate resulting from the Capital Reorganization that the Holder would have been entitled to receive as a result of such Capital Reorganization if, on the record date, it had been the registered holder of the number of Common Shares to which it was theretofore entitled upon conversion, subject to adjustment thereafter in accordance with provisions the same, as nearly as may be possible, as those contained in this section 5.05; provided that no such Capital Reorganization shall be carried into effect unless all necessary steps shall have been taken so that the Holder shall thereafter be entitled to receive such number of shares or other securities of the Corporation or of the body corporate resulting from the Capital Reorganization.

(b) In the case of any reclassification of, or other change in, the outstanding Common Shares, other than a Capital Reorganization, the right of conversion shall be adjusted

immediately after the record date for such reclassification or other change so that the Holder shall be entitled to receive, upon the exercise of such right at any time after the record date of such reclassification or other change, such shares as it would have received had this debenture, or any part thereof, been converted into Common Shares immediately prior to such record date, subject to adjustment thereafter in accordance with provisions the same, as nearly as may be possible, as those contained in this section 5.05.

(c) The adjustments provided for in this section 5.05 are cumulative and shall apply to successive subdivisions, redivisions, reductions, reclassifications, combinations, consolidations, distributions, issues or other events resulting in any adjustment under the provisions of this section.

(d) In the event of any question arising with respect to the adjustments provided for in this section 5.05, such question shall be conclusively determined by a firm of chartered accountants appointed by the Corporation and acceptable to the Holder; such accountants shall have access to all necessary records of the Corporation and such determination shall be binding upon the Corporation and the Holder. In the event that any such determination is made, the Corporation shall deliver a certificate of such chartered accountants to the Holder setting out such determination.

ARTICLE VI GENERAL COVENANTS

6.01 Use of Proceeds. The Corporation will use the funds representing the principal amount of this debenture advanced by the Holder to the Corporation for the purposes of refinancing or repayment of certain indebtedness and for general operating purposes.

6.02 Covenants. Until the payment in full of the Indebtedness and until the fulfillment of all of its obligations hereunder, the Corporation shall comply with the following covenants:

(b) **Notices.** The Corporation shall promptly notify Holder in writing of the occurrence of any Event of Default or any act or event which, with the giving of notice or the passage of time, or both, would be such an Event of Default and of any legal action, proceeding or investigation threatened or instituted against the Corporation that might have a material adverse effect upon the operations, financial condition or business of the Corporation or its ability to repay the Indebtedness, and from time to time, at Holder's request, will furnish to Holder a summary of the status of all such actions, proceedings or investigation;

(c) **Maintain Business.** The Corporation shall maintain in full force and effect all material licenses, permits, authorizations, bonds, franchises and other rights necessary or desirable to the profitable conduct of its business, shall continue in, and limit its operations to, the same general lines of business as are presently conducted and shall comply with all applicable laws, orders, regulations and ordinances of all governmental authorities, in all material respects and shall maintain its corporate existence;

(d) **Mergers, Sale of Assets.** The Corporation will not, without Holder's prior written consent: (i) sell, lease, transfer or dispose of substantially all of its assets to another entity; or (ii) consolidate with or merge into another entity, permit any other entity to merge into it or consolidate with it, or permit any transfer of the ownership of, or power to control, the Corporation;

(f) **Indebtedness.** The Corporation will not, without the Holder's prior written consent, such consent not to be unreasonably withheld,

(i) incur, create, assume or permit to exist any obligation or indebtedness, except

(A) existing indebtedness disclosed on financial statements previously delivered to the Holder;

(B) other indebtedness and trade obligations and normal accruals in the ordinary course of business;

(C) other indebtedness subordinated and postponed to repayment of the Indebtedness that are subject to a subordination and postponement agreement that is in form and content satisfactory to the Holder;

(ii) become liable, directly, or indirectly, as guarantor or otherwise, for any obligation of any other person, except existing obligations of such kind previously disclosed to the Holder in writing;

(g) **Liens.** The Corporation will not, without the Holder's prior written consent, agree for any person, to have the benefit of or recourse to the Corporation's assets except to the extent fully subordinated to the claims of the Holder hereunder;

(h) **Insurance.** The Corporation shall maintain and keep in force insurance of the types and amounts customarily carried in its lines of business, including, without limitation, fire, public liability, product liability, property damage and workers' compensation, such insurance to be carried with companies and in amounts satisfactory to Holder, in its reasonable discretion, and

the Corporation shall deliver to Holder from time to time as Holder may request, schedules setting forth all insurance then in effect and copies of the policies;

(i) **Debts.** The Corporation shall pay all permitted debts, legal awards, taxes, levies, penalties, interest and any other obligation, immediately upon such obligation coming due;

(j) **Environmental Matters.** The Corporation will take all reasonable actions to prevent the occurrence of any material violation of any applicable environmental, health and safety statutes and regulations, or any order or judgment of any court with respect to environmental pollution or contamination, hazardous waste disposal or any other environmental matter and the Corporation shall promptly give written notice to Holder of the following occurrences and of the steps being taken by the Corporation, with respect thereto:

(i) notice that the Corporation's operations are not in full compliance with the requirements of applicable environmental, health and safety statutes and regulations;

(ii) notice that the Corporation is subject to a governmental investigation evaluating whether any remedial action is needed to respond to the release of any hazardous or toxic waste or substance into the environment; or

(iii) notice that any properties or assets of the Corporation are subject to any environmental lien.

- (e) In its capacity as lessee under each Concurrent Lease, the Concurrent Lessee hereby covenants and agrees, to and in favour of the Lessor, to cause and require each Obligor to comply with and perform each term, condition, representation, warranty and covenant required to be complied with or performed by an Obligor under the relevant Lease.

5.4 Amendments to Definition of Eligible Asset

If, at any time, the Concurrent Lessee determines, acting reasonably, that there has been a material change in the information contained in a Portfolio Report from the information contained in any previous Portfolio Report, then the Concurrent Lessee may elect by notice to the Lessor to amend the definition of Eligible Asset so that it contains one or more of the following additional requirements:

- (a) in respect of which there is a parts and labor warranty on the related Leased as issued by a third party insurer that is approved in writing by the Concurrent Lessee (acting reasonably) or the Lessor has otherwise made arrangements with a third party (other than the Obligor or the Lessor) to ensure that any repair and servicing of the related Approved Equipment is conducted and completed as required from time to time;

Article 6 - SERVICING OF PORTFOLIO

6.1 Appointment of the Lessor as Servicer

- (a) The Concurrent Lessee hereby appoints the Servicer to be its exclusive agent for the purposes of servicing the Leased Assets as set out in this Article 6 (it being acknowledged that the Concurrent Lease made hereunder is made on a fully-serviced basis in accordance with this Agreement) and the Lessor hereby accepts such appointment.
- (b) The Lessor may subcontract with a subservicer or sub-originator, provided that such subservicer or sub-originator shall be approved by the Concurrent Lessee acting reasonably, for the servicing or subservicing of the Leased Assets; provided, however, that the Lessor will remain liable to the Concurrent Lessee for the performance of the duties and obligations so subcontracted and all other duties and obligations of the Lessor set forth in this Article 6.
- (c) Except as provided hereunder, the Servicer shall have the exclusive right to service the Leased Assets and the Concurrent Lessee shall not contact any Obligor or inform any Obligor of its interests in the Leased Assets or otherwise take any steps to modify any Leased Assets.

6.2 Servicing of Leased Assets

During the term of this Agreement, unless a Replacement Servicer is designated by the Concurrent Lessee pursuant to Section 7.2, the Lessor covenants to service the Leased Assets with reasonable care using that degree of skill and attention that it exercises with respect to comparable receivables that it services for itself and others and in accordance with the Credit and Collection Policies, and subject to and in accordance with the provisions of this Agreement. Without limiting the generality of the foregoing, the Lessor, unless a Replacement Servicer is designated by the Concurrent Lessee pursuant to Section 7.2, shall and covenants to:

- (a) deposit Collections to the Collections Account (which will, until remitted, be held in trust for the Concurrent Lessee) in respect of such Settlement Period in accordance with Section 6.3;
- (b) hold the Records in trust for the Concurrent Lessee and at any time and from time to time during regular business hours permit the Concurrent Lessee, its agents or representatives upon five (5) Business Days' prior notice to (i) examine and make copies of all such Records in the possession (or under the control) of the Lessor; and (ii) visit the offices and properties of the Lessor for the purpose of examining such Records and discussing matters relating to the Leased Assets and the Lessor's performance under the Leased Assets or hereunder with any of the Lessor's officers or employees having knowledge of such matters;

- (c) maintain and implement prudent and reasonable administrative and operating procedures (including an ability to recreate the Records in the event of the destruction of the originals thereof) and keep and maintain all books, records, documents and other information reasonably necessary or advisable for the identification and collection of the Leased Assets (including records adequate to permit all collections of and reductions or adjustments);
- (d) timely and fully perform and comply with all terms, covenants and other provisions of the Leased Assets required to be performed and observed by it or the Concurrent Lessee;
- (e) comply in all respects with the Credit and Collection Policies in regard to each Leased Asset;
- (f) not, without the prior written consent of the Concurrent Lessee, make any change in the Credit and Collection Policies;
- (g) not extend, amend or otherwise modify or waive any term or condition of any Leased Asset unless permitted in accordance with the terms of the Credit and Collection Policies;
- (h) use its commercially reasonable efforts to collect all Receivables payable in respect of the Leased Assets in accordance with all applicable laws, rules and regulations, the provisions hereof and the Credit and Collection Policies;
- (i) make all payments payable by it to government agencies and others where a statutory lien or deemed trust might arise having priority over the Concurrent Lessee's interest in any part of the Leased Assets; provided that the Lessor may protest the payment of any such amounts if it is acting in good faith and it either provides the Concurrent Lessee with cash in an amount sufficient to satisfy the same or otherwise satisfies the Concurrent Lessee, acting reasonably, that its interests are not prejudiced thereby;
- (j) as soon as possible, effect all filings or recordings with respect to the Concurrent Lessee's interest in all Rights necessary by law or reasonably prudent or desirable for the perfection and protection of such interest and all appropriate renewals or amendments thereof, including, without limitation, such registrations as are required pursuant to Section 2.12 hereof;
- (k) promptly, from time to time, furnish to the Concurrent Lessee such documents, records, information or reports in respect of the Leased Assets or the conditions or operations, financial or otherwise, of the Lessor as may be in existence in written form or, if available in databases maintained by the Lessor, as may be produced with existing software as the Concurrent Lessee may from time to time reasonably request;
- (l) If the Delinquency Rate
 - (i) calculated in respect of Low Score Leases that are Leased Assets exceeds, for any Reporting Period and the two (2) immediately preceding Reporting Periods, 8% (the amount of any excess being the **Excess LS Delinquencies**), the Lessor

shall pay to the Concurrent Lessee, for each Reporting Period (that is, each calendar month) during which such excess exists, an amount equal to \$2,500 (the **Excess LS Delinquencies Reimbursement**), which shall represent a reimbursement for the Concurrent Lessee for the costs incurred by the Concurrent Lessee with respect to the monitoring, analyzing and reporting on the Excess LS Delinquencies. The Lessor and the Concurrent Lessee hereby agree that any such Excess LS Delinquencies Reimbursement is not and shall not be deemed to be a penalty or a fee in any way, but a true representation of the costs that the Concurrent Lessee shall incur in respect of the monitoring, analyzing and reporting on the Excess LS Delinquencies; and

- (ii) calculated in respect of Low Value Leases that are Leased Assets exceeds, for any Reporting Period and the two (2) immediately preceding Reporting Periods, 10% (the amount of any excess being the **Excess LV Delinquencies**), the Lessor shall pay to the Concurrent Lessee, for each Reporting Period (that is, each calendar month) during which such excess exists, an amount equal to \$2,500 (the **Excess LV Delinquencies Reimbursement**), which shall represent a reimbursement for the Concurrent Lessee for the costs incurred by the Concurrent Lessee with respect to the monitoring, analyzing and reporting on the Excess LV Delinquencies. The Lessor and the Concurrent Lessee hereby agree that any such Excess LV Delinquencies Reimbursement is not and shall not be deemed to be a penalty or a fee in any way, but a true representation of the costs that the Concurrent Lessee shall incur in respect of the monitoring, analyzing and reporting on the Excess LV Delinquencies.

For greater certainty, both an Excess LS Delinquencies Reimbursement and an Excess LV Delinquencies Reimbursement may be payable by the Lessor to the Concurrent Lessee for the same Reporting Period.

- (m) on or before each Reporting Date, prepare and deliver to the Concurrent Lessee a Portfolio Report relating to the Receivables payable in respect of the Leased Assets as of the close of business on the last day of the immediately preceding Collection Period; and
- (n) to monitor the level of complaints arising from the Leased Assets received by it and take commercially reasonable steps to address such complaints. If, at any given time, the level of unresolved complaints exceeds 1% (being the percentage of active Obligor with unresolved complaints to total active Obligor) or if the level of total complaints (whether resolved or not) exceeds 5% (as the percentage of active Obligor who have made a complaint to total active Obligor), such excess shall be reported to the next meeting of the board of directors of Crown Crest Capital Management Corp. for a discussion on required management actions in respect of the interests of the Obligor.

6.3 Deposit of Collections

All Collections shall be deposited by the Servicer in the Collections Account within two (2) Business Days of the date of receipt by the Servicer (or, in the case of Deemed Collections, on the date of deemed receipt).

6.4 Power of Attorney

The Concurrent Lessee hereby constitutes and appoints the Servicer the true and lawful attorney of the Concurrent Lessee, with full power of substitution, to execute, deliver and register, for and on behalf of and in the name of the Concurrent Lessee, such documents, instruments or agreements which may be necessary or desirable to enable the Servicer to perform its obligations set out in this Agreement. The Servicer agrees that it will not exercise such power of attorney for any other purpose whatsoever. Such power of attorney is coupled with an interest.

6.5 Deemed Collections

If, on any day prior to the date on which all of the Investment, Additional Term Investment and Second Additional Term Investment are reduced to nil, any Receivable payable in respect of any Leased Asset (i) is extended by the Lessor beyond its original term in a manner inconsistent with the Credit and Collection Policies, (ii) has its Scheduled Payment or any other regularly scheduled payment to be made by the Obligor during the Additional Term reduced by the Lessor in a manner inconsistent with the Credit and Collection Policies, (iii) is reduced or cancelled as a result of any breach by the Lessor of the terms of such Leased Asset, (iv) is reduced or cancelled as a result of a set-off in respect of any claim by the applicable Obligor against the Lessor or the Concurrent Lessee other than as a result of an act or omission of the Concurrent Lessee (whether such claim arises out of the same or a related transaction or an unrelated transaction), (v) is reduced to reflect any adjustment for returns, billing errors, NSF cheques, fraudulent charges and similar payment reconciliations, (vi) is otherwise reduced or cancelled by the Lessor or any subservicer, or (vii) if any fine, penalty, sanction, order or other liability is imposed upon or determined against any of the Lessor, the Concurrent Lessee or any Originator in connection with or relating to any Leased Asset, the Lessor shall be deemed to have received for the Concurrent Lessee's account on the last day of the Collection Period during which such day occurred, a Collection of such Receivable in the amount of such reduction or cancellation, and shall deposit to the Collections Account on the immediately following Settlement Date such amount.

6.6 Payment Terms

- (a) All amounts to be paid or deposited by the Lessor, the Replacement Servicer or the Concurrent Lessee hereunder will be paid or deposited on the day when due in same day funds.
- (b) The Lessor will make all payments required to be made hereunder without deduction or set-off (except as expressly permitted hereunder) regardless of any defense or counterclaim.

Article 7 - SERVICER TERMINATION

7.1 Servicer Termination Events

The happening of any of the following shall constitute a Servicer Termination Event hereunder:

- (a) The Lessor defaults in the payment of any amount due to the Concurrent Lessee hereunder and such default remains unremedied for a period of three (3) Business Days after written notice of such default has been given to the Lessor;
- (b) The Lessor defaults in the observance or performance in any manner of any of its covenants or obligations contained in this Agreement in any material respect (other than those obligations referred to in paragraph (a) above) and, if such default is capable of rectification and remains unremedied for a period of thirty (30) days after the earlier of (i) the date on which written notice of such default has been given to the Lessor by the Concurrent Lessee and (ii) the date on which the Lessor has actual notice of such default;
- (c) any representation or warranty made by the Lessor in or pursuant to this Agreement proves to have been false or incorrect when made in any material respect, and, if the circumstances giving rise to such incorrect representation or warranty are capable of rectification, such representation or warranty remains uncorrected for a period of 30 days after the earlier of (i) the date on which written notice has been given to the Lessor by the Concurrent Lessee specifying the incorrectness and demanding that the circumstances giving rise thereto be rectified and (ii) the date on which the Lessor had actual knowledge of such incorrectness; or
- (d) an Insolvency Event shall occur in respect of the Lessor.

7.2 Designation of Replacement Servicer

- (a) If a Servicer Termination Event has occurred and is continuing, the Concurrent Lessee may designate a Replacement Servicer to succeed the Lessor with respect to the Leased Assets on such terms as it may consider reasonable, provided that any such Person so designated shall agree to perform the duties and obligations of the Lessor provided for in Article 6.
- (b) Upon the appointment of a Replacement Servicer pursuant to Section 7.2(a), the Lessor will, on demand and at its expense: (i) assemble all Records and make them available to the Replacement Servicer; (ii) notify all Obligors (x) of the sale, assignment and transfer to the Concurrent Lessee of the Leased Assets; and (y) to remit all payments due under such Leased Assets to the Replacement Servicer; and (iii) segregate, in a manner reasonably acceptable to the Concurrent Lessee, all cash, cheques and other instruments constituting Collections which are received by it from time to time and remit the same to the Replacement Servicer duly endorsed or with duly executed instruments of transfer, if applicable.

7.3 Replacement Servicer Fee

A Replacement Servicer appointed pursuant to Section 7.2 shall be entitled to a reasonable fee for services rendered, such fee to be determined by the Concurrent Lessee with the Replacement Servicer to a maximum, in respect of any Collection Period, of 15% of the Collections remitted to the Collections Account during such Collection Period (the **Replacement Servicer Fee**). Such Replacement Servicer Fee and any out-of-pocket expenses incurred by the Replacement Servicer in connection with its duties as Replacement Servicer, together with any

applicable Sales Taxes, shall be payable to the Replacement Servicer in accordance with this Agreement.

7.4 Leased Assets

If a Servicer Termination Event has occurred and is continuing, the legal right, title and interest to any Leased Assets related to any Leased Asset which are held by the Lessor in trust for the Concurrent Lessee shall automatically transfer to the Concurrent Lessee upon notice from the Concurrent Lessee to the Lessor.

7.5 Power of Attorney

- (a) The Lessor hereby grants to the Concurrent Lessee, to become effective immediately upon the occurrence of a Servicer Termination Event, an irrevocable power of attorney and hereby irrevocably appoints the Concurrent Lessee as the Lessor's attorney-in-fact, with full power of substitution, to take in the place and stead of and in the name of the Lessor or in the Concurrent Lessee's own name from time to time at the Concurrent Lessee's discretion, acting reasonably, such actions as the Lessor may be obligated to take hereunder or as the Concurrent Lessee may deem necessary or advisable to collect, endorse, negotiate or otherwise realize on any Leased Asset including any related Receivable, any negotiable instrument, or any other right of any kind, held or owned by the Lessor and transferred, assigned or delivered to or received by the Concurrent Lessee as payment on account or otherwise in respect of any of the Leased Assets, including:
 - (i) to evidence or protect the Concurrent Lessee's interest in the Leased Assets and to execute and file, in the Lessor's name and on the Lessor's behalf, such recording, registration, financing or similar statements (including any amendments, renewals and continuation statements) under applicable laws;
 - (ii) to ask, demand, collect, sue for, recover, compound, receive and give acquittances and receipts for moneys due and to become due in connection with the Receivables or otherwise owed to the Concurrent Lessee;
 - (iii) to receive, endorse and collect any cheques, drafts or other instruments, documents and chattel paper in connection with moneys due and to become due in connection with the Receivables forming part of the Leased Assets or otherwise owed to the Concurrent Lessee;
 - (iv) to file any claims or take any action or institute any proceedings that the Concurrent Lessee may deem to be necessary or desirable for the collection of any Receivable; and
 - (v) to prepare, execute, deliver, and/or register in the Lessor's name and on the Lessor's behalf, such instruments and documents (including assignments) necessary or desirable in furtherance of the foregoing.

- (b) The power of attorney granted hereby shall be expressly coupled with an interest in favour of the Concurrent Lessee. The powers of attorney and other rights and privileges granted hereby shall survive any dissolution, liquidation or winding-up of the Lessor.

- (b) a certificate of compliance issued in respect of the Lessor in its jurisdiction of incorporation, and an equivalent certificate from the appropriate authority in each other jurisdiction in which qualification is necessary in order for the Lessor to own or lease its property and conduct its business, each to be certified as of a recent date;

- (g) such other approvals, opinions or documents as the Concurrent Lessee may reasonably request.

Article 9 - MISCELLANEOUS

9.1 Amendments and Waivers

- (a) This Agreement may be amended, supplemented, modified, restated or replaced by written instrument only signed by the Lessor and the Concurrent Lessee.
- (b) No waiver of any provision of this Agreement, nor consent to any departure by any party therefrom, shall in any event be effective unless the same shall be in writing signed by such party, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. No failure on the part of any party to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof.

9.2 Binding Effect; Assignability

This Agreement shall be binding upon and enure to the benefit of the Lessor and the Concurrent Lessee, and their respective successors and assigns.

The Lessor shall not have the right to assign any interest herein without the consent of the Concurrent Lessee, provided however that the Lessor may grant a security interest in all or a portion of the Deferred Rent.

Each of the other parties hereto agrees that, upon such assignment, the assignee or its further assigns may enforce directly, without joinder of the original Concurrent Lessee, the rights set forth in this Agreement. Each of the Lessor and the Concurrent Lessee agrees to grant to any such assignee or its further assigns or its agents such powers of attorney as may be necessary for the exercise of their rights hereunder.

9.3 Notices

Any notice, consent, request, agreement, approval, waiver or other communication required or permitted to be given or delivered hereunder shall, unless otherwise stated herein, be in writing (including photocopy, facsimile, electronic mail or other digital communication) and sent, as to each party hereto, at its address set forth under its name on the signature pages hereto, or at such other address as shall be designated by such party in a written notice to the other parties hereto. All such notices and communications shall be effective when sent.

9.4 Indemnification

- (a) The Lessor hereby agrees to indemnify the Concurrent Lessee and each of its directors, officers, employees, trustees, advisors and agents, and to save such Person harmless

from and against any and all damages, losses, claims, liabilities, costs and expenses (including reasonable legal fees and disbursements) awarded against or incurred by any such Person arising out of or as a result of:

- (i) any representation or warranty made or deemed to be made by the Lessor in any capacity (whether as Lessor, Servicer or otherwise) (or any of its officers) in or in connection with this Agreement, any of the Leased Assets, or any Related Document, which was incorrect in any material respect when made or deemed made or delivered;
 - (ii) the failure of the Lessor in any capacity (whether as Lessor, Servicer or otherwise) or any Originator to perform or observe any of its respective covenants, duties or obligations hereunder, in respect of or relating to any of the Leased Assets or under any of the Related Documents, including without limitation, the Lessor's perfection and registration obligations under Section 2.12 hereof;
 - (iii) any claim made against the Lessor in any capacity (whether as Lessor, Servicer or otherwise), the Lender or any Originator by any Obligor arising from, in connection with or relating to the performance of observance of any of the Lessor's or Originator's respective covenants, duties or obligations hereunder, in respect of or relating to any of the Leased Assets or under any of the Related Documents;
 - (iv) the failure to vest in and maintain vested in the Concurrent Lessee, the beneficial interest of the Lessor in and to the Leases relating to the Leased Assets and related Collections which are, or are intended to be transferred to the Concurrent Lessee hereunder, free and clear of any Adverse Claim (whether existing at the time of the Concurrent Lease thereof or arising at any time thereafter);
 - (v) the failure by the Lessor in any capacity (whether as Lessor, Servicer or otherwise) to comply with any applicable law, rule, regulation, order, judgment, injunction, award or decree with respect to any part of the Leased Assets, or the non-conformity of any Leased Asset with any applicable law, rule, regulation, order, injunction, award or decree; and

- (c) The Lessor and the Concurrent Lessee each agree to provide reasonable assistance to the other party, at the request of such other party and, in either case, at the Lessor's

expense, in any action, suit or proceeding brought by or against, or any investigation involving such requesting party relating to any of the transactions contemplated hereby or to any part of the Leased Assets. If the Lessor has acknowledged its liability under Section 9.4(a) in respect of any damages, losses, claims, liabilities, costs or expenses in connection with any such action, suit, proceeding or investigation, and, in the sole determination of the Concurrent Lessee, acting reasonably, the Lessor has the financial ability to pay such damages, losses, claims, liabilities, costs and expenses, the Lessor will have the right, on behalf of the Concurrent Lessee but at the Lessor's expense, to defend such action, suit or proceeding, or participate in such investigation, with counsel selected by it, and will have sole discretion as to whether to litigate, appeal or settle.

- (d) The obligations of the Lessor under this Section 9.4 will survive this Agreement and remain in full force and effect for a period up to and including the date that is six years from the Final Collection Date.

9.5 Time of Essence

Article 2 - CONCURRENT LEASE

2.1 Grant of Concurrent Lease

- (a) Upon the terms and subject to the conditions set forth herein, the Lessor may from time to time prior to the occurrence of an Amortization Event, by delivering a completed Concurrent Lease Notice, offer to concurrently lease Approved Equipment to the Concurrent Lessee at least 5 Business Days before a proposed Closing Date. The Concurrent Lessee shall indicate its acceptance of the offer to concurrently lease Approved Equipment by countersigning the Concurrent Lease Notice delivered by the Lessor on or before the proposed Closing Date.
- (b) On each Closing Date, Lessor shall hereby lease to Concurrent Lessee, free and clear of all security interests, liens or other adverse claims other than the leasehold interests of the relevant Obligors, and Concurrent Lessee shall hereby lease from Lessor, the Approved Equipment as listed on the related Concurrent Lease Notice delivered by Lessor to Concurrent Lessee) with effect as of the Closing Date. It is hereby expressly acknowledged and agreed that the interest of the Concurrent Lessee under each Concurrent Lease in and to the related Approved Equipment is that of a lessee only, and that title to and ownership in all such Approved Equipment shall, subject to Section 2.6, remain vested in the Lessor. It is hereby further expressly acknowledged and agreed that, as of each Closing Date and until the applicable Final Collection Date, the beneficial ownership of the interest of the Lessor in respect of each Lease relating to Leased Assets and the related Collections will automatically vest in the Concurrent Lessee and the Lessor will hold in trust for the benefit of the Concurrent Lessee the interest of the Lessor under each such Lease and related Collections. It is hereby further expressly acknowledged and agreed that, notwithstanding the grant by the Lessor to the

Concurrent Lessee of each Concurrent Lease, the rights of the lessee Obligor with respect to the possession and use of the Approved Equipment shall continue and be the same as under their respective Leases.

- (c) On each Closing Date, the Lessor will pay to the Concurrent Lessee the Credit Monitoring Fee for each Concurrent Lease listed in the applicable Concurrent Lease Notice. The Concurrent Lessee may set off the Credit Monitoring Fee payable for a Concurrent Lease against the Prepaid Rent for that Concurrent Lease paid by the Concurrent Lessee on the Closing Date.
- (d) In its capacity as lessor to the Concurrent Lessee and so that the Concurrent Lessee will not be in violation of its obligation as lessor to the Obligor or any of them, the Lessor hereby covenants and agrees to and in favour of the Concurrent Lessee that at all times during the term of each Concurrent Lease, the Lessor will, in all material respects, comply with and perform each term, condition, representation, warranty and covenant of the lessor contained in each Lease and will not take or omit to take any action in its capacity as owner of the Approved Equipment and lessor under any Concurrent Lease and which would cause any material failure by it to so comply with and perform each term, condition, representation, warranty and covenant required to be complied with or performed by the lessor under each Lease.
- (e) In its capacity as lessee under each Concurrent Lease, the Concurrent Lessee hereby covenants and agrees, to and in favour of the Lessor, to cause and require each Obligor to comply with and perform each term, condition, representation, warranty and covenant required to be complied with or performed by an Obligor under the relevant Lease.

2.2 Terms of Concurrent Leases

- (a) The term of each Concurrent Lease in respect of an item of Approved Equipment shall be deemed to commence at the close of business on the related Closing Date and, unless terminated or deemed terminated earlier in accordance with the provisions hereof, shall terminate on the Lease End Date for the related Lease.
- (b) Notwithstanding Section 2.2(a), the Concurrent Lessee shall have the right to extend the term of all Concurrent Leases outstanding on the date of this Agreement beyond the relevant Lease End Dates to the end of the Additional Term by giving the Lessor notice.

It is hereby expressly acknowledged and agreed that the Lessor's title and ownership of the Approved Equipment owned by it shall be subject to the rights of the Concurrent Lessee under each Concurrent Lease with respect to such Approved Equipment, and, consequently, except as otherwise provided herein, upon the termination of the Lease relating to any Approved Equipment (whether upon the expiry of the Term thereof, as a result of a default by the Obligor thereunder or otherwise), the Concurrent Lessee shall, until the expiry of the term of the Concurrent Lease relating to such Approved Equipment, have the exclusive right to possess, use and lease such Approved Equipment as provided for in this Article 2. Except as provided herein, neither the Concurrent Lessee nor the Lessor shall be entitled to terminate the Concurrent Lease in respect of any or all of the Approved Equipment.

2.3 Rent for Concurrent Lease

In consideration of the grant by the Lessor to the Concurrent Lessee of each Concurrent Lease, the Concurrent Lessee shall pay to the Lessor, on the first day of each calendar month after the Closing Date during the term of each Concurrent Lease, as monthly rent, an amount equal to 99.99% of the sum of all payments forming part of the Scheduled Payments to be made in

respect of the Leases of Leased Assets in respect thereof during the related Collection Period. Any Taxes will be added to any amount so paid if applicable.

2.4 Prepaid and Deferred Rent

The Lessor acknowledges and agrees that the Concurrent Lessee may satisfy and discharge its obligations to make all monthly rent payments required by Section 2.3 by (a) paying to the Lessor, on the related Closing Date, as a prepayment of rent, a sum equal to the Prepaid Rent, (b) paying to the Lessor the amounts specified pursuant to and in accordance with Section 3.1 as deferred rent (the Deferred Rent), each of which payments shall be made without the need on the part of the Lessor to provide the Concurrent Lessee with any invoices. The Concurrent Lessee shall be deemed to have elected to make the payments specified in (a) and (b) if it pays the Prepaid Rent on the related Closing Date. In the event the Concurrent Lessee elects to extend the terms of the Concurrent Leases outstanding on the date of this Agreement to the end of the Additional Term in accordance with Section 2.2(b), the Concurrent Lessee may pay to the Lessor, upon the exercise of its right to extend the terms, as a prepayment of rent, a sum equal to the Initial Additional Term Prepaid Rent. Concurrently with the payment of the Initial Additional Term Prepaid Rent for an ATPR Scheduled Lease, the Lessor will pay to the Concurrent Lessee the Credit Monitoring Fee for that ATPR Scheduled Lease. Any Taxes will be added to any of the foregoing amounts so paid if applicable.

2.5 Acknowledgment

The Lessor acknowledges and agrees that, as a consequence of the grant and demise of rights by it to the Concurrent Lessee under this Agreement, and in consideration of the obligation and the liability of the Concurrent Lessee to pay to the Lessor the rent (including any payment by the Concurrent Lessee of Prepaid Rent), as provided for in this Article 2, the Concurrent Lessee shall be entitled, among other things, to receive all Scheduled Payments under the Leases, the Leased Assets relating to which is concurrently leased to the Concurrent Lessee hereunder, as of and from the close of business on the related Closing Date.

- (a) all of the Lessor's right, title and interest in, to and under the Leased Assets and the Leases related thereto including, without limitation, all amounts owed to or received by the Lessor in respect of Collections from any Obligor or other Person, including all liquidation proceeds and subsequent recoveries in respect of the Leased Assets and the related Records;
- (b) all of the Lessor's right, title and interest in and to all Collections made on or after the related Closing Date and the right to make Collections in respect of the remaining Term thereof made on or after the Closing Date including, without limitation, rights, if any, under direct debit agreements with Obligors, and all cheques, notes, instruments of payment and other remittances relating thereto;
- (c) all of the Lessor's right, title and interest in and to the related Rights relating to the Leased Assets; and
- (d) all proceeds from any or all of the foregoing;

(all of such property and rights being collectively referred to herein as the Concurrent Lease Entitlements). The Lessor and the Concurrent Lessee agree that value has been given for the granting by the Lessor of such charge and security interest, that they have not agreed to postpone the time for attachment with respect thereto and that attachment will occur immediately upon the Lessor acquiring rights to receive any such Collections or other amounts.

2.7 Concurrent Lessee Rights

The Lessor hereby acknowledges that, as a consequence of the granting of the Concurrent Leases hereunder, the Concurrent Lessee through the Servicer on its behalf, shall have the right, at any time, to:

- (a) notify any Obligor of the Concurrent Lease by the Concurrent Lessee of the Leased Assets;

2.8 Application Fee

The Lessor shall pay to the Concurrent Lessee following the completion of each Concurrent Lease an application fee in respect of such Concurrent Lease in the amount equal to 0.15% of the applicable Prepaid Rent of the applicable Lease Asset in respect of the concurrent lease by the Concurrent Lessee from the Lessor.

2.9 Payment of GST/HST

The Concurrent Lessee certifies that it is at all relevant times, including at the time of each Concurrent Lease, a registrant under Part IX of the Excise Tax Act (Canada) (the ETA) and that its registration number is 10414 3698 RT0001.

2.10 Disqualified Assets

Promptly at any time after a Closing Date upon discovering that an eligibility requirement contained in the definition of "Eligible Asset" was not satisfied with respect to any Leased Asset and Concurrent Lease on the Cut-Off Date where the Concurrent Lessee made a payment of Prepaid Rent, the Lessor shall pay to the Concurrent Lessee an amount equal to the Rent Rebate

in respect of the Concurrent Lease. Upon the payment of such amount, the related Concurrent Lease of such Leased Asset will be deemed to have been terminated without the need for any further action. Upon payment of such amount, any incorrectness in any representation or warranty or covenant by the Lessor with respect thereto shall be deemed to have been rectified.

2.11 Termination Rights

Either the Concurrent Lessee or the Lessor may terminate any Concurrent Lease at the end of each calendar year by notice in writing. Upon such termination, in the event Prepaid Rent was paid in respect of the Concurrent Lease, the Lessor shall be obligated to pay the Rent Rebate in respect thereof and shall have a period of up to 180 days to negotiate a repayment schedule with the Concurrent Lessee. Upon payment in full of the Rent Rebate, the related Concurrent Lease of such Leased Asset will be deemed to have been terminated without the need for any further action.

2.12 Intentionally Deleted

2.13 Liquidated Leases

The parties acknowledge that the Servicer is obligated and exclusively entitled, in accordance with this Agreement, to enforce a defaulted Lease by using its normal practices to take actual possession of and sell the Leased Assets forming the subject matter of such Lease and, if necessary, by enforcing the related Rights. The Servicer shall also be entitled to purchase such Leased Assets for a price deemed by the Servicer to be reasonable for such Leased Assets. Upon the Servicer's enforcement in respect of the Leased Assets which are subject to a Concurrent Lease, the Concurrent Lessee shall, subject to the following sentence, require the Lessor to terminate the related Concurrent Lease. The Concurrent Lease shall be terminated with respect to such Leased Assets, as of the date on which the Servicer completes the sale of the Leased Assets to a purchaser thereof. Upon such termination, the Lessor shall be obligated to pay to the Concurrent Lessee, on the date such sale is effected, as a refund of a portion of the Prepaid Rent and, if applicable, the Initial Additional Term Prepaid Rent paid by the Concurrent Lessee in respect of such Leased Assets by payment to the Collections Account, the liquidation proceeds from the related Leased Assets and any recoveries against the related Obligor received by the Servicer, and recourse against the Lessor shall be limited to the liquidation proceeds from the related Leased Assets and recoveries against the related Obligor received by the Servicer, and the Lessor irrevocably directs the Servicer to apply such amounts as Collections in accordance with Article 3.

2.14 Sale of Leased Assets

Each party hereto acknowledges that the Servicer may, in accordance with the terms of the related Lease, allow other Persons to purchase the Leased Assets that are subject to a Concurrent Lease hereunder prior to the expiry of a Concurrent Lease. If Leased Assets that are subject to a Concurrent Lease hereunder are sold at any time, then the Concurrent Lease shall be terminated with respect to such Leased Assets as of the date on which the Servicer completes the sale of the Leased Assets to a purchaser thereof. Upon any such termination where the purchaser is the Obligor, the Lessor shall be obligated to pay to the Concurrent Lessee a refund of a portion of the Prepaid Rent and, if applicable, the Initial Additional Term Prepaid Rent paid by the Concurrent Lessee in respect of such Leased Assets, by payment into the Collections Account of the proceeds of the sale of the Leased Assets on the date such sale is effected. Upon any such termination where the purchaser is not the Obligor, the Lessor shall be obligated to pay to the Concurrent Lessee a refund of a portion of the Prepaid Rent and, if applicable, the Initial Additional Term Prepaid Rent paid by the Concurrent Lessee in respect of such Leased Assets, by payment to the Concurrent Lessee of an amount equal to the Rent Rebate relating to such Concurrent Lease on the date such sale is effected. The Servicer will not agree to any purchase of Leased Assets that would result in the termination of a Concurrent Lease, including without

limitation as part of a transaction that involves an Obligor agreeing to lease new Approved Equipment under a new lease, without first obtaining the consent of the Concurrent Lessee.

Without limiting the generality of the foregoing, the Lessor, unless a Replacement Servicer is designated by the Concurrent Lessee pursuant to Section 7.2, shall and covenants to:

- (a) deposit Collections to the Collections Account (which will, until remitted, be held in trust for the Concurrent Lessee) in respect of such Settlement Period in accordance with Section 6.3;
- (b) hold the Records in trust for the Concurrent Lessee and at any time and from time to time during regular business hours permit the Concurrent Lessee, its agents or representatives upon five (5) Business Days' prior notice to (i) examine and make copies of all such Records in the possession (or under the control) of the Lessor; and (ii) visit the offices and properties of the Lessor for the purpose of examining such Records and discussing matters relating to the Leased Assets and the Lessor's performance under the Leased Assets or hereunder with any of the Lessor's officers or employees having knowledge of such matters;
- (c) maintain and implement prudent and reasonable administrative and operating procedures (including an ability to recreate the Records in the event of the destruction of the originals thereof) and keep and maintain all books, records, documents and other information reasonably necessary or advisable for the identification and collection of the Leased Assets (including records adequate to permit all collections of and reductions or adjustments);
- (d) timely and fully perform and comply with all terms, covenants and other provisions of the Leased Assets required to be performed and observed by it or the Concurrent Lessee;
- (e) comply in all respects with the Credit and Collection Policies in regard to each Leased Asset;
- (f) not, without the prior written consent of the Concurrent Lessee, make any change in the Credit and Collection Policies;
- (g) not extend, amend or otherwise modify or waive any term or condition of any Leased Asset unless permitted in accordance with the terms of the Credit and Collection Policies;
- (h) use its commercially reasonable efforts to collect all Receivables payable in respect of the Leased Assets in accordance with all applicable laws, rules and regulations, the provisions hereof and the Credit and Collection Policies;
- (i) make all payments payable by it to government agencies and others where a statutory lien or deemed trust might arise having priority over the Concurrent Lessee's interest in any part of the Leased Assets; provided that the Lessor may protest the payment of any such amounts if it is acting in good faith and it either provides the Concurrent Lessee with

cash in an amount sufficient to satisfy the same or otherwise satisfies the Concurrent Lessee, acting reasonably, that its interests are not prejudiced thereby;

- (j) as soon as possible, effect all filings or recordings with respect to the Concurrent Lessee's interest in all Rights necessary by law or reasonably prudent or desirable for the perfection and protection of such interest and all appropriate renewals or amendments thereof;
- (k) promptly, from time to time, furnish to the Concurrent Lessee such documents, records, information or reports in respect of the Leased Assets or the conditions or operations, financial or otherwise, of the Lessor as may be in existence in written form or, if available in databases maintained by the Lessor, as may be produced with existing software as the Concurrent Lessee may from time to time reasonably request;
- (l) If the Delinquency Rate calculated in respect of Low Value Leases that are Leased Assets exceeds, for any Reporting Period and the two (2) immediately preceding Reporting Periods, 10% (the amount of any excess being the **Excess LV Delinquencies**), the Lessor shall pay to the Concurrent Lessee, for each Reporting Period (that is, each calendar month) during which such excess exists, an amount equal to \$2,500 (the **Excess LV Delinquencies Reimbursement**), which shall represent a reimbursement for the Concurrent Lessee for the costs incurred by the Concurrent Lessee with respect to the monitoring, analyzing and reporting on the Excess LV Delinquencies. The Lessor and the Concurrent Lessee hereby agree that any such Excess LV Delinquencies Reimbursement is not and shall not be deemed to be a penalty or a fee in any way, but a true representation of the costs that the Concurrent Lessee shall incur in respect of the monitoring, analyzing and reporting on the Excess LV Delinquencies.

For greater certainty, an Excess LV Delinquencies Reimbursement may be payable by the Lessor to the Concurrent Lessee for the same Reporting Period.

- (m) on or before each Reporting Date, prepare and deliver to the Concurrent Lessee a Portfolio Report relating to the Receivables payable in respect of the Leased Assets as of the close of business on the last day of the immediately preceding Collection Period; and
- (n) to monitor the level of complaints arising from the Leased Assets received by it and take commercially reasonable steps to address such complaints. If, at any given time, the level of unresolved complaints exceeds 1% (being the percentage of active Obligors with unresolved complaints to total active Obligors) or if the level of total complaints (whether resolved or not) exceeds 5% (as the percentage of active Obligors who have made a complaint to total active Obligors), such excess shall be reported to the next meeting of the board of directors of Crown Crest Capital Management Corp. for a discussion on required management actions in respect of the interests of the Obligors.

6.3 Deposit of Collections

All Collections shall be deposited by the Servicer in the Collections Account within two (2) Business Days of the date of receipt by the Servicer (or, in the case of Deemed Collections, on the date of deemed receipt).

6.4 Power of Attorney

The Concurrent Lessee hereby constitutes and appoints the Servicer the true and lawful attorney of the Concurrent Lessee, with full power of substitution, to execute, deliver and register, for and on behalf of and in the name of the Concurrent Lessee, such documents, instruments or

agreements which may be necessary or desirable to enable the Servicer to perform its obligations set out in this Agreement. The Servicer agrees that it will not exercise such power of attorney for any other purpose whatsoever. Such power of attorney is coupled with an interest.

6.5 Deemed Collections

If, on any day prior to the date on which both the Concurrent Lessee's Investment and the Additional Term Investment are reduced to nil, any Receivable payable in respect of any Leased Asset (i) is extended by the Lessor beyond its original term in a manner inconsistent with the Credit and Collection Policies, (ii) has its Scheduled Payment or any other regularly scheduled payment to be made by the Obligor during the Additional Term reduced by the Lessor in a manner inconsistent with the Credit and Collection Policies, (iii) is reduced or cancelled as a result of any breach by the Lessor of the terms of such Leased Asset, (iv) is reduced or cancelled as a result of a set-off in respect of any claim by the applicable Obligor against the Lessor or the Concurrent Lessee other than as a result of an act or omission of the Concurrent Lessee (whether such claim arises out of the same or a related transaction or an unrelated transaction), (v) is reduced to reflect any adjustment for returns, billing errors, NSF cheques, fraudulent charges and similar payment reconciliations, (vi) is otherwise reduced or cancelled by the Lessor or any subservicer, or (vii) if any fine, penalty, sanction, order or other liability is imposed upon or determined against any of the Lessor, the Concurrent Lessee or any Originator in connection with or relating to any Leased Asset, the Lessor shall be deemed to have received for the Concurrent Lessee's account on the last day of the Collection Period during which such day occurred, a Collection of such Receivable in the amount of such reduction or cancellation, and shall deposit to the Collections Account on the immediately following Settlement Date such amount.

6.6 Payment Terms

- (a) All amounts to be paid or deposited by the Lessor, the Replacement Servicer or the Concurrent Lessee hereunder will be paid or deposited on the day when due in same day funds.
- (b) The Lessor will make all payments required to be made hereunder without deduction or set-off (except as expressly permitted hereunder) regardless of any defense or counterclaim.

Article 7 - SERVICER TERMINATION

7.1 Servicer Termination Events

The happening of any of the following shall constitute a Servicer Termination Event hereunder:

- (a) The Lessor defaults in the payment of any amount due to the Concurrent Lessee hereunder and such default remains unremedied for a period of three (3) Business Days after written notice of such default has been given to the Lessor;
- (b) The Lessor defaults in the observance or performance in any manner of any of its covenants or obligations contained in this Agreement in any material respect (other than those obligations referred to in paragraph (a) above) and, if such default is capable of rectification and remains unremedied for a period of thirty (30) days after the earlier of (i) the date on which written notice of such default has been given to the Lessor by the Concurrent Lessee and (ii) the date on which the Lessor has actual notice of such default;

- (c) any representation or warranty made by the Lessor in or pursuant to this Agreement proves to have been false or incorrect when made in any material respect, and, if the circumstances giving rise to such incorrect representation or warranty are capable of rectification, such representation or warranty remains uncorrected for a period of 30 days after the earlier of (i) the date on which written notice has been given to the Lessor by the Concurrent Lessee specifying the incorrectness and demanding that the circumstances giving rise thereto be rectified and (ii) the date on which the Lessor had actual knowledge of such incorrectness; or
- (d) an Insolvency Event shall occur in respect of the Lessor.

7.2 Designation of Replacement Servicer

- (a) If a Servicer Termination Event has occurred and is continuing, the Concurrent Lessee may designate a Replacement Servicer to succeed the Lessor with respect to the Leased Assets on such terms as it may consider reasonable, provided that any such Person so designated shall agree to perform the duties and obligations of the Lessor provided for in Article 6.
- (b) Upon the appointment of a Replacement Servicer pursuant to Section 7.2(a), the Lessor will, on demand and at its expense: (i) assemble all Records and make them available to the Replacement Servicer; (ii) notify all Obligor (x) of the sale, assignment and transfer to the Concurrent Lessee of the Leased Assets; and (y) to remit all payments due under such Leased Assets to the Replacement Servicer; and (iii) segregate, in a manner reasonably acceptable to the Concurrent Lessee, all cash, cheques and other instruments constituting Collections which are received by it from time to time and remit the same to the Replacement Servicer duly endorsed or with duly executed instruments of transfer, if applicable.

7.3 Replacement Servicer Fee

A Replacement Servicer appointed pursuant to Section 7.2 shall be entitled to a reasonable fee for services rendered, such fee to be determined by the Concurrent Lessee with the Replacement Servicer to a maximum, in respect of any Collection Period, of 15% of the Collections remitted to the Collections Account during such Collection Period (the **Replacement Servicer Fee**). Such Replacement Servicer Fee and any out-of-pocket expenses incurred by the Replacement Servicer in connection with its duties as Replacement Servicer, together with any applicable Sales Taxes, shall be payable to the Replacement Servicer in accordance with this Agreement.

7.4 Leased Assets

If a Servicer Termination Event has occurred and is continuing, the legal right, title and interest to any Leased Assets related to any Leased Asset which are held by the Lessor in trust for the Concurrent Lessee shall automatically transfer to the Concurrent Lessee upon notice from the Concurrent Lessee to the Lessor.

7.5 Power of Attorney

- (a) The Lessor hereby grants to the Concurrent Lessee, to become effective immediately upon the occurrence of a Servicer Termination Event, an irrevocable power of attorney and hereby irrevocably appoints the Concurrent Lessee as the Lessor's attorney-in-fact, with full power of substitution, to take in the place and stead of and in the name of the Lessor or in the Concurrent Lessee's own name from time to time at the Concurrent Lessee's discretion, acting reasonably, such actions as the Lessor may be obligated to take hereunder or as the Concurrent Lessee may deem necessary or advisable to collect,

endorse, negotiate or otherwise realize on any Leased Asset including any related Receivable, any negotiable instrument, or any other right of any kind, held or owned by the Lessor and transferred, assigned or delivered to or received by the Concurrent Lessee as payment on account or otherwise in respect of any of the Leased Assets, including:

- (i) to evidence or protect the Concurrent Lessee's interest in the Leased Assets and to execute and file, in the Lessor's name and on the Lessor's behalf, such recording, registration, financing or similar statements (including any amendments, renewals and continuation statements) under applicable laws;
 - (ii) to ask, demand, collect, sue for, recover, compound, receive and give acquittances and receipts for moneys due and to become due in connection with the Receivables or otherwise owed to the Concurrent Lessee;
 - (iii) to receive, endorse and collect any cheques, drafts or other instruments, documents and chattel paper in connection with moneys due and to become due in connection with the Receivables forming part of the Leased Assets or otherwise owed to the Concurrent Lessee;
 - (iv) to file any claims or take any action or institute any proceedings that the Concurrent Lessee may deem to be necessary or desirable for the collection of any Receivable; and
 - (v) to prepare, execute, deliver, and/or register in the Lessor's name and on the Lessor's behalf, such instruments and documents (including assignments) necessary or desirable in furtherance of the foregoing.
- (b) The power of attorney granted hereby shall be expressly coupled with an interest in favour of the Concurrent Lessee. The powers of attorney and other rights and privileges granted hereby shall survive any dissolution, liquidation or winding-up of the Lessor.

Article 8 - CONDITIONS PRECEDENT

3.1 Conditions to Effectiveness

This Agreement shall become effective on the date hereof if the following conditions precedent have been satisfied or waived on or prior to such date and/or the Concurrent Lessee shall have received from the Lessor the following documents, in form and substance satisfactory to the Concurrent Lessee:

- (a) a certificate of an officer of the Lessor, dated the date hereof certifying (A) that attached thereto is a true and complete copy of the Certificate and Articles of Incorporation and any amendments thereto, and the by-laws of the Lessor, each as in effect on the date of such certificate; (B) that attached thereto is a true and complete copy of a resolution adopted by the Lessor's board of directors authorizing the execution, delivery and performance of this Agreement and the other Related Documents, and that such resolution has not been modified, rescinded or amended and is in full force and effect; and (C) as to the incumbency and true specimen signature of each of the Lessor's officers executing this Agreement or any of the Related Documents, on which certificate the Concurrent Lessee shall be entitled to conclusively rely until such time as the Concurrent Lessee receives from Lessor a replacement certificate meeting the requirements of this Section 8.1(a);

- (b) a certificate of compliance issued in respect of the Lessor in its jurisdiction of incorporation, and an equivalent certificate from the appropriate authority in each other jurisdiction in which qualification is necessary in order for the Lessor to own or lease its property and conduct its business, each to be certified as of a recent date;
- (c) executed copies of this Agreement and copies of the Credit and Collection Policies;
- (d) reports, satisfactory to the Concurrent Lessee acting reasonably, showing the results of searches conducted against the Lessor under applicable personal property security registers in the provinces where the Leased Assets are located, together with executed copies of all discharges or releases of prior security interests relating to Leased Assets that are then to be sold hereunder; provided that the Lessor may establish that any particular registration does not affect any such Leased Assets by delivering a letter or acknowledgment signed by the applicable secured party;
- (e) a copy of verifications statements or other filings filed in each relevant jurisdiction, that are sufficient to perfect the interests of the Concurrent Lessee as the first priority ownership interest in the Leased Assets as against creditors of the Lessor;
- (f) executed copies of all discharges and releases, if any, necessary to discharge or release all security interest and other rights or interest of any Person in the Rights, previously granted by or through the Lessor and which could constitute an Adverse Claim, together with, where applicable, copies of the relevant financing change statements or other discharge statements with the registration particulars stamped thereon; and/or appropriate intercreditor agreements with such other parties in form and substance as the Concurrent Lessee may require; and
- (g) such other approvals, opinions or documents as the Concurrent Lessee may reasonably request.

Article 9 - MISCELLANEOUS

9.1 Amendments and Waivers

- (a) This Agreement may be amended, supplemented, modified, restated or replaced by written instrument only signed by the Lessor and the Concurrent Lessee.
- (b) No waiver of any provision of this Agreement, nor consent to any departure by any party therefrom, shall in any event be effective unless the same shall be in writing signed by such party, and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. No failure on the part of any party to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof.

9.2 Binding Effect; Assignability

This Agreement shall be binding upon and enure to the benefit of the Lessor and the Concurrent Lessee, and their respective successors and assigns.

The Lessor shall not have the right to assign any interest herein without the consent of the Concurrent Lessee, provided however that the Lessor may grant a security interest in all or a portion of the Deferred Rent.

Each of the other parties hereto agrees that, upon such assignment, the assignee or its further assigns may enforce directly, without joinder of the original Concurrent Lessee, the rights set forth

in this Agreement. Each of the Lessor and the Concurrent Lessee agrees to grant to any such assignee or its further assigns or its agents such powers of attorney as may be necessary for the exercise of their rights hereunder.

9.3 Notices

Any notice, consent, request, agreement, approval, waiver or other communication required or permitted to be given or delivered hereunder shall, unless otherwise stated herein, be in writing (including photocopy, facsimile, electronic mail or other digital communication) and sent, as to each party hereto, at its address set forth under its name on the signature pages hereto, or at such other address as shall be designated by such party in a written notice to the other parties hereto. All such notices and communications shall be effective when sent.

9.4 Indemnification

- (a) The Lessor hereby agrees to indemnify the Concurrent Lessee and each of its directors, officers, employees, trustees, advisors and agents, and to save such Person harmless from and against any and all damages, losses, claims, liabilities, costs and expenses (including reasonable legal fees and disbursements) awarded against or incurred by any such Person arising out of or as a result of:
- (i) any representation or warranty made or deemed to be made by the Lessor in any capacity (whether as Lessor, Servicer or otherwise) (or any of its officers) in or in connection with this Agreement, any of the Leased Assets, or any Related Document, which was incorrect in any material respect when made or deemed made or delivered;
 - (ii) the failure of the Lessor in any capacity (whether as Lessor, Servicer or otherwise) or any Originator to perform or observe any of its respective covenants, duties or obligations hereunder, in respect of or relating to any of the Leased Assets or under any of the Related Documents;
 - (iii) any claim made against the Lessor in any capacity (whether as Lessor, Servicer or otherwise), the Lender or any Originator by any Obligor arising from, in connection with or relating to the performance or observance of any of the Lessor's or Originator's respective covenants, duties or obligations hereunder, in respect of or relating to any of the Leased Assets or under any of the Related Documents;
 - (iv) the failure to vest in and maintain vested in the Concurrent Lessee, the beneficial interest of the Lessor in and to the Leases relating to the Leased Assets and related Collections which are, or are intended to be transferred to the Concurrent Lessee hereunder, free and clear of any Adverse Claim (whether existing at the time of the Concurrent Lease thereof or arising at any time thereafter);
 - (v) the failure by the Lessor in any capacity (whether as Lessor, Servicer or otherwise) to comply with any applicable law, rule, regulation, order, judgment, injunction, award or decree with respect to any part of the Leased Assets, or the non-conformity of any Leased Asset with any applicable law, rule, regulation, order, injunction, award or decree; and
 - (vi) any fine, penalty, sanction, order, or other liability imposed upon or determined against any of the Lessor in any capacity (whether as Lessor, Servicer or otherwise) the Lender or any Originator by any Governmental Authority in connection with or relating to any Leased Asset;

- (b) The Lessor shall not be liable to the Concurrent Lessee hereunder for any damages, losses, claims, liabilities, costs or expenses resulting solely from the failure of any Obligor to discharge its payment obligations (except as specifically provided in Section 9.4(a)).
- (c) The Lessor and the Concurrent Lessee each agree to provide reasonable assistance to the other party, at the request of such other party and, in either case, at the Lessor's expense, in any action, suit or proceeding brought by or against, or any investigation involving such requesting party relating to any of the transactions contemplated hereby or to any part of the Leased Assets. If the Lessor has acknowledged its liability under Section 9.4(a) in respect of any damages, losses, claims, liabilities, costs or expenses in connection with any such action, suit, proceeding or investigation, and, in the sole determination of the Concurrent Lessee, acting reasonably, the Lessor has the financial ability to pay such damages, losses, claims, liabilities, costs and expenses, the Lessor will have the right, on behalf of the Concurrent Lessee but at the Lessor's expense, to defend such action, suit or proceeding, or participate in such investigation, with counsel selected by it, and will have sole discretion as to whether to litigate, appeal or settle.
- (d) The obligations of the Lessor under this Section 9.4 will survive this Agreement and remain in full force and effect for a period up to and including the date that is six years from the Final Collection Date.

9.5 Time of Essence

Time will be of the essence of this Agreement.

9.6 Failure to Perform

If the Lessor fails to perform any of its agreements or obligations hereunder, the Concurrent Lessee may (but will not be required to) itself perform, or cause to be performed, such agreement or obligation at, in the case of any such failure to perform by the Lessor, the cost of the Lessor.

9.7 Confidentiality

Each party hereto will maintain on a confidential basis (except as otherwise permitted hereunder or as required by applicable law) all information relating to the other party provided to it hereunder by the other parties; provided, however, that this Section shall not apply to any information which (i) was lawfully in the public domain at the time of communication to the first party, (ii) lawfully enters the public domain through no fault of the first party subsequent to the time of communication to the first party, (iii) was lawfully in possession of the first party free of any obligation of confidence at the time of communication to the first party, (iv) was lawfully communicated to the first party free of any obligation of confidence subsequent to the time of initial communication to the first party or (v) was lawfully communicated to any Person free from any obligation of confidence subsequent to the time of communication to the first party.

9.8 Further Assurances

The parties hereto agree, from time to time, to enter into such further agreements and to execute all such further instruments as may be reasonably necessary or desirable to give full effect to the terms of this Agreement and to the ability of the Concurrent Lessee to exercise or enforce any of its rights and remedies hereunder.

9.9 Remedies

The remedies herein provided are cumulative and not exclusive of any remedies provided at law.

9.10 Execution in Counterparts

CONCURRENT LEASE AGREEMENT

CONCURRENT LEASE AGREEMENT, dated as of November 1, 2021 (this **Agreement**), between **Simply Green Home Services Inc.**, a corporation incorporated under the laws of the Province of Ontario (together with its successors and assigns, the **Lessor**) and **Peoples Trust Company**, a trust company existing under the laws of Canada (**Concurrent Lessee**).

WHEREAS the Lessor is in the business of leasing Approved Equipment to Originators and otherwise acquiring equipment leases from Originators;

AND WHEREAS the Lessor and the Concurrent Lessee wish to enter into this agreement to provide for the concurrent leasing of Approved Equipment subject to Leases by the Lessor to the Concurrent Lessee from time to time.

NOW THEREFORE THIS AGREEMENT WITNESSES that in consideration of the mutual covenants and agreements of the parties herein contained, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Article 1 - DEFINITIONS AND PRINCIPLES OF INTERPRETATION

1.1 Definitions

Words with initial capital letters in this Agreement (including the above recitals) shall have the meanings set out below:

Additional Term means, in respect of a Concurrent Lease, the balance, if any, of the remaining term of the related Lease after the Lease End Date, less one day; provided that the balance of the remaining term may not exceed the lesser of (i) the useful life of the applicable Lease Asset and (ii) 60 months.

Additional Term Investment means, at any time, the sum of the Additional Term Prepaid Rent, minus the amount of all ATPR Amortization on any prior Settlement Date.

Additional Term Prepaid Rent means, at any time, the aggregate, for each ATPR Scheduled Lease, of the product of (i) the Advance Rate and (ii) the sum of the net present values of each unpaid rental payments coming due over the entire term, ending on the last day of the Additional Term, of the related ATPR Scheduled Lease, excluding all Scheduled Payments, but including all escalations in the rental payments the Lessor is entitled to, discounted to the date of determination at the Discount Rate.

Administrative Costs means, in respect of any Lease, all late fees, extension fees and other administrative or similar costs, charges and expenses billed to the applicable Obligor in accordance with the Lessor's customary practice and approved by the Concurrent Lessee, acting reasonably.

Advance Rate means 92%.

Adverse Claim means a security interest, lien, charge, encumbrance or other right or claim, including any filing or registration made in respect thereof, of or through any Person (other than the Concurrent Lessee).

Agreement means this agreement, together with the schedules hereto, as the same may be amended, supplemented, modified, restated or replaced from time to time, and the expressions **hereof**, **herein**, **hereunder**, and **hereby** and similar expressions refer to this agreement and not to any specific article, section, paragraph, subparagraph or clause hereof.

Amortization Event means the occurrence of any of the following events:

- (a) on any Reporting Date as of the end of the related Collection Period, either:
 - (i) the Average Delinquency Rate exceeds 6.5%;
