Subject: TD v. Oxford Advanced Imaging Inc. (CV-18-603360-00CL)

Importance: High

The Sales Officer's motion proceeded before me today by Zoom videoconference. The names of the attendees on the call are listed in the attached counsel slip.

The Sales Officer seek various relief including approval of a distribution to preferred shareholders on a *pro rata* basis, approval of its activities as set out in its Sixth Report, approval of fees/disbursements of the Sales Officer and its counsel, and an order for its discharge, all on the terms set out in the draft order. The motion is unopposed.

I am satisfied that the motion should be granted and I have signed and attached the Distribution and Discharge Order. The order is effective from today's date and is enforceable without the need for entry and filing.
