Final Statement of Receipts and Disbursements (UPDATED)**

The Trustee is filing this Final Statements of Receipts and Disbursements (UPDATED) (the "Updated R&D") to include additional receipts received since the date of the original Final Statement of Receipts and Disbursements dated November 1, 2018 (the "Original R&D"). We note that the Updated R&D is not signed by the Inspectors of the estate as they are no longer able to be located. The Original R&D is signed by the Inspectors. Additional receipts since the date of the Original R&D include i) interest on invested cash (\$18,560.00) and ii) a GST refund (\$12,528.25), all of which will be distributed to the secured creditor Bank of Montreal, being the only secured creditor that remains in a shortfall position (well in excess of the additional receipts received). There are two minor disbursements variances being a decrease in i) HST paid (ITC) (\$336.12) and Bank charges (\$3.28); these differences are the result of errors in the Original R&D which have been corrected in the Updated R&D.
