**NOTICE OF MOTION
(Returnable December 6, 2017)**

KPMG Inc. (“**KPMG**”), in its capacity as court appointed liquidator (the “**Liquidator**”) pursuant to sections 207 and 248 of the Ontario *Business Corporations Act* (“**OBCA**”) of the effects and estate of Tarn Financial Corporation (“**Tarn**”) and appointed pursuant to the Winding Up Order of Justice Lederman dated September 15, 2017 (the “**Winding Up Order**”) effective on September 25, 2017 will make a motion to a Judge presiding over the Commercial List on Wednesday, December 6, 2017 at 9:30 a.m. or as soon after that time as the Motion can be heard at the Court house located at 330 University Avenue, 8th Floor, Toronto, Ontario M5G 1R7.

PROPOSED METHOD OF HEARING: The motion is to be heard orally.

THE MOTION IS FOR:

1. An Order abridging and validating the time for service of the Notice of Motion, such that this Motion is properly returnable and further service thereof is dispensed with;

2. An Order authorizing the Liquidator to file a Notice of Appeal with the Ontario Municipal Board (the “**OMB**”), substantially in the form attached as Schedule “A” hereto (the “**Zoning Amendment Appeal**”), pursuant to subsection 34(11) of the *Planning Act* (Ontario) from the Application to Amend the Zoning By-law bearing Application No.: 15 167709 ESC 40 OZ (the “**Zoning Amendment Application**”) in respect of the real property owned by Tarn and municipally known as 2035 Kennedy Road, Toronto, Ontario (the “**Property**”);

3. An Order authorizing the Liquidator to file a Notice of Appeal with the OMB substantially in the form attached as Schedule “B” hereto (the “**Site Plan Appeal**” and collectively with the Zoning Amendment Appeal, the “**OMB Appeals**”), pursuant to subsection 114(15) of the *City of Toronto Act, 2006* from the Application for Site Plan Approval bearing Application No.: 16 132832 ESC 40 SA (the “**Site Plan Application**”) in respect of the Property; and

4. Such further and other relief as this Honourable Court may deem just.

THE GROUNDS FOR THE MOTION ARE:

Background

1. On February 13, 2017, Volkan Basegmez, Cem Bleda Basegmez, Anil Rukan Basegmez, BA&B Capital Inc., Serdar Kocturk and Kaan Holdings Inc. (collectively, the “**Applicants**”) commenced an application (the “**Application**”) before the Ontario Superior Court of Justice (Commercial List) (the “**Court**”) under sections 207 and 248 of the *Business Corporations Act*, R.S.O. 1990, c. B.16 seeking an Order winding up Tarn and appointing KPMG as liquidator for that purpose. The Applicants are shareholders of Tarn and collectively hold 60% of the common shares of Tarn. The remaining 40% of the common shares of Tarn are held by the Respondent, SAMM Capital Holdings Inc. (“**SAMM**”), a company owned by the Respondent, Ali Akman (“**Akman**”);

2. The Application was heard by Justice Lederman on August 11, 2017 and on September 15, 2017 His Honour ordered the winding up of Tarn pursuant to the Winding Up Order;

3. Pursuant to the Winding-Up Order, KPMG was appointed as Liquidator of the effects and estate of Tarn effective from September 25, 2017, with the powers and obligations set forth in Part XVI of the OBCA and the Winding Up Order;

4. On October 6, 2017, Akman and SAMM filed a Notice of Appeal with the Divisional Court of the Ontario Superior Court of Justice appealing the Winding-Up Order (the “**Appeal**”). An Order expediting the hearing of the Appeal was granted on October 26, 2017 and the Appeal is scheduled to be heard on December 22, 2017;

5. The assets, property and undertaking of Tarn include the Delta Toronto East Hotel and adjoining development lands being developed by Tarn, through its wholly-owned subsidiary, Tarn Construction Corporation (“**Tarn Construction**”), as a development known as “The Kennedys” (the “**Development Project**”) all located on the Property;

6. The Liquidator reported on the current status of the Development Project in its First Report dated November 13, 2017 (the “**First Report**”);

7. On September 27, 2017 the Liquidator and its counsel, Miller Thomson LLP (“**Miller Thomson**”), met with Bennett Jones LLP (“**Bennett Jones**”), which acted as Tarn’s municipal, development and real estate counsel prior to the winding up and whose retainer has been continued with the Liquidator given their involvement with the Property, to discuss the status of the zoning and site plan submissions to the City of Toronto (the “**City**”) for the Development Project. Bennett Jones provided the Liquidator and Miller Thomson with an overview of the background surrounding the Development Project as well as a status update on the related plans, applications, permits and reports;

8. As set out in the First Report, as of the date of the Winding Up Order, construction of Phase 1 of the Development Project had not commenced. Tarn had submitted an application to amend the former City of Scarborough Employment Districts Zoning By-law No. 24982 (the “**Zoning By-law**”), as amended, in order to, among other things, permit the residential uses and increase the permitted heights and density otherwise permitted by the Zoning By-law on the site. The initial application was made in June 2015 and two resubmissions have been made since, each following review and comments from the City;

9. As set out in the First Report, a staff recommendation report was approved by the City council in mid-2017 and the Zoning By-law was being held pending the resolution by Tarn and Tarn Construction of outstanding engineering issues and Tarn entering into a Section 37 Agreement pursuant to the *Planning Act* (Ontario) with the City;

10. The Liquidator was advised by Bennett Jones that Tarn had hoped to have the outstanding engineering issues resolved and the Section 37 Agreement finalized in order to be added to the list for the City council meeting on October 2, 2017 (the “**City Meeting**”) to address the application for the amendment to the Zoning By-law and in order for Tarn to execute a Section 37 Agreement with the City;

11. As a result of timing of the Liquidator’s appointment and in order for the Liquidator to take the time necessary to understand and review the required information and documentation needed in order to make a well-informed decision with respect to the Development Project, the Liquidator requested that Bennett Jones advise the City that Tarn would not be seeking to be added to the list to attend the City Meeting;

12. The Liquidator has been advised that once a zoning by-law is amended, essentially no changes or amendments can be made to the zoning by-law for a period of two years. The Liquidator was of the view that it would be prudent to postpone any application for the Zoning By-law until a sale process had been commenced and the Liquidator had an opportunity to understand the interest in the Development Project;

Sale Process

13. On November 29, 2017, Justice McEwen granted the Sale Process Order (the “**Sale Process Order**”) pursuant to which, among other things, the Liquidator was authorized to retain Colliers Macaulay Nicolls Inc. (“**Colliers**”) to be the marketing and listing agent and is authorized to carry out the Sale Process attached as Schedule “A” to the Sale Process Order (the “**Sale Process**”) utilizing the services of Colliers to do so;

14. The Liquidator retained Colliers as the marketing and listing agent on November 29, 2017 and the Liquidator and Colliers commenced putting together materials to undertake the Sale Process;

15. On November 30, 2017, the Liquidator met with Colliers, Miller Thomson and Bennett Jones to discuss the sales and marketing strategy;

16. The Liquidator and Colliers are of the view that the Property would be the most marketable if it can be marketed with as many options as possible. These options include the ability to market the Property with the opportunity to vary components of the development approvals relating to the Property including changes to the current draft Zoning By-law and site plan;

Changes to the OMB and Timing to Launch Appeals

17. The Government of Ontario is currently debating legislation to replace the OMB with a proposed Local Planning Appeal Tribunal;

18. Based on the draft legislation posted as Bill 139 on the Legislative Assembly of Ontario's website as of December 1, 2017, the intent of the new legislation, among other things, is to change the nature of appeals for zoning applications and to limit the powers of the new Local Planning Appeal Tribunal as compared to the current rights to appeal to the OMB and the broad powers of the OMB on the hearing of appeals;

19. Neither the transition process to the new regime nor the full extent of the differences between the two regimes are fully known at this time as the legislation needs to be finalized and the regulations are not yet released;

The OMB Appeals

20. The Zoning Amendment Application was submitted to the City on June 3, 2015 and the Site Plan Application was submitted to the City on March 29, 2016;

21. The Zoning Amendment Application is intended to implement a recently approved Official Plan amendment for the Property by re-zoning to allow a mixed use development of the Property that will include new residential, retail, and office uses, a hotel and new public spaces;

22. The Site Plan Application is intended to allow a mixed used development of the Property that will include new residential, retail and offices uses, as well as a hotel and new public spaces;

23. Tarn is entitled to file the Zoning Amendment Appeal with the OMB pursuant to subsection 34(11) of the *Planning Act* (Ontario) and the Site Plan Appeal pursuant to subsection 114(15) of the *City of Toronto Act, 2006*;

24. Based on the legislation as it is currently proposed, and the uncertainty of the transition process to the new regime, the Liquidator's municipal counsel recommended that if marketing the Property with as many options as possible is desirable for the Sale Process then the OMB Appeals should be filed at the earliest possible opportunity given the imminent adoption of the new legislation and also because it will shorten the time within which a purchaser could have their desired development designs finally approved by starting the OMB appeal process for them;

25. By filing the OMB Appeals, the successful purchaser will have to obtain a hearing before the OMB to finalize the Zoning By-law and site plan. The Liquidator understands that, even if the successful purchaser intends to accept the draft Zoning By-law and site plan as currently drafted, they would still require a hearing before the OMB to essentially approve that settlement;

26. The filing of the OMB Appeals will allow the Liquidator to market the Property with various options available to potential purchasers, such as an option to amend an aspect of the Zoning By-law as currently proposed, to address changes to the Zoning By-law and to address changes the site plan in respect of the Property, through the existing OMB process;

27. In the Liquidator's view, given the imminent changes to the municipal law regime in Ontario, which the Liquidator has been advised by its municipal counsel, may limit an appellant's rights on appeal, the immediate filing of the OMB Appeals will provide flexibility within the Sale Process, which will enhance maximization of realizations from the Property, and is reasonable and appropriate in the circumstances;

28. The Winding Up Order including, without limitation, paragraph 2(i);

29. Rule 37 of the *Ontario Rules of Civil Procedure*, R.R.O. 1990, Reg.194, as amended;

30. Part XVI of the OBCA; and

31. Such further and other grounds as the lawyers may advise and this Honourable Court may permit.

THE FOLLOWING DOCUMENTARY EVIDENCE will be used at the hearing of the motion:

1. The Notices of Appeal, attached as Schedule "A" and "B" hereto;
2. The First Report of the Liquidator; and
3. Such further evidence as the lawyers may advise and this Honourable Court may permit.

RE: 2035 Kennedy Road
Notice of Appeal pursuant to subsection 114(15) of the *City of Toronto Act, 2006*, with respect to the Application for Site Plan Approval – Application No.: 16 132832 ESC 40 SA (the "Application")

We are writing on behalf of Tarn Financial Corporation, in order to file an appeal of the Application as it relates to the property municipally known as 2035 Kennedy Road, Toronto (the "**Property**").

The Application was submitted to the City of Toronto (the "**City**") on March 29, 2016, and no decision on it has been made up to date. Please accept this letter as the Notice of Appeal pursuant to subsection 114(15) of the *City of Toronto Act, 2006* (the "**Act**").

The Application

The Application was submitted to allow a mixed used development of the Property that will include new residential, retail and offices uses, as well as a hotel and new public spaces. The Property is intended to be developed in multiple phases, including three residential apartment towers ranging from 31 to 40 storeys in height, retail uses, an existing hotel, some new hotel, and a 9 storey office and retail building.

Failure to Make a Decision

In light of the failure by the City to make a decision on the Application within 30 days after the submission of the Application, we are filing an appeal to the Ontario Municipal Board ("**OMB**") pursuant to subsection 114(15) of the Act.
