

Fund and Asset Management: A Focus on New AIF Law

This seminar may contribute to Continuing Professional Development requirements.

This seminar focuses on the Alternative Investment Fund regulatory framework and industry practices. The trainer is a Board member of KPMG with extensive experience in the field and the Head of a team dealing with fund management in Cyprus. The trainer will provide real-life examples which shall enhance the participants learning experience and assist the attendees in understanding both the setup procedures and the ongoing operations of an AIF. The new Cyprus AIF law will be covered, as well as the latest developments in the area. The seminar is expected to help the participants comprehend the available options to setup AIFs and how to cope with the ongoing requirements.

Participants*

The seminar will cover the Cyprus regulatory framework for funds and asset managers, as well as good practices followed by foreign regulators and financial services participants. Therefore, Fund Managers, employees of CIFs, employees of firms offering fund consulting and other services such as Lawyers, Accountants and Professionals of fiduciary firms will benefit by attending this seminar.
