

Terms and conditions for Danish AI Society Educational Network

Network and trading conditions

Registration and payment

Registration and payment include all network meetings in 2021. Once the payment is made, it is non-refundable.

After registration, the invoice will be sent to the e-mail address that you provided when registering. The payment is due no later than 30 days after the date of issue of the invoice, and if payment has not been made before the payment deadline, we reserve the right to offer your place to someone else.

Non-attendance

In the event that you are prevented from attending one or more of the network meetings, you are welcome to let someone else attend on your behalf, but the payment is non-refundable and no discount or credits are given for future network meetings. Remember to notify KPMG before the meeting if you let someone else attend on your behalf.

Change or cancellation

KPMG reserves the right to change or cancel network meetings if they cannot be held, for example due to illness. When changing the date of network meetings, payment is not refunded and no discount or credits are given for future network meetings.

In the event of cancellation of the network, payment equal to the cancelled number of network meetings will be refunded. KPMG does not cover costs relating to any changes or cancellation, for transport, accommodation or the like.

Liability

KPMG arranges, hosts and facilitates the network, and cannot be held liable for the accuracy of various information and exchange of information.

Processing of personal data

When registering for the network, KPMG will process your personal information that you provide in connection with the registration.

KPMG will process your personal information for the purpose of arranging, facilitating, holding and implementing the network. In this connection, we need to be able to identify you in connection with payment and to be able to communicate with you as well as send you relevant information, materials and invitations related to the network before, during and after the network meetings.

KPMG will process your personal data in order to fulfill the agreement on your purchase of a place and participation in KPMG's network, and otherwise the processing may also take place on the basis of KPMG's legitimate interest, cf. GDPR Article 6(1)(b) and (f) to fulfill the above purposes.

Your personal information will not be passed on to third parties, and your personal information relating to the network will be deleted three months after the network's last meeting.

Rights: You have the right to access and/or correct your personal information. In certain cases, you have the right to have your personal data deleted or to have the processing of your data restricted, and you have the right to object to KPMG's processing of your personal data. You can assert your rights against KPMG by writing an email to DK-FMPrivacy@kpmg.com. If you are dissatisfied with KPMG's processing of your personal data, you have the right to complain to the Danish Data Protection Agency at www.datatilsynet.dk.
