

Bulletin

Dear Sir / Madam,

We present to you the twenty fifth edition of our Software Licensing Bulletin, which highlights information on IBM® Cloud Services: IBM® Verse and Connections Cloud

IBM Verse is a powerful e-mail hosting solution that enables users quickly find and focus on what content is most important, empowering them to build stronger working relationships while optimizing business results.

Key capabilities of IBM Verse and Connections

IBM Connections provides the following capabilities, which can be deployed incrementally based on your business requirements.

Social networking — Stay connected to your professional network with communities, rich profiles, social analytics, activities, file sharing and sync, blogs, ideation, and wikis.

E-Mail — Simplify today's complex world by integrating e-mail, calendar and contacts.

Meetings — Collaborate, without traveling, through online meetings with high-definition audio and video as well as sharing of documents, applications and desktops.

Chat — Find the timely expertise you need with the enterprise's instant messaging, online presence indicators and community collaboration for instant connection to the people behind the information in your social business environment.

Docs — Accelerate productivity with an online office productivity suite that makes it easier than ever for teams to collaboratively create and edit word processing, spreadsheet, and presentation documents in real time.

Content — Engage people to collaborate as part of the content creation process. Control content through document check-in and check-out, version control, approval routing, metadata, taxonomy, document types, and nested folders

IBM Connections are integrated and easy to use, it can create a more productive working environment that meets the needs of the entire business

We hope the bulletin was informative. We would be happy to arrange for any additional information that you may require on the subject. Please write to us at in-fmkpmqccsbulletin@kpmg.com, for any queries or feedback.

Regards,
