Dear Sir/Madam,

We present to you the next edition of our Software Licensing Bulletin, which highlights the concepts of Autodesk® Industry Collection (IC) software package – a simple package, to suit the dynamic business requirements.

Some of its key features are –

- Access to a wide selection of the most essential Autodesk software
- Continuous access to the latest and improved software releases
- Greater flexibility and choice
- Both single-user (individual) and multi-user (shared) access offered
- Previous Version Rights
- Global Travel Rights
- Access to more cloud services
- Technical support
- Administrative tools

The collection comprises of three different packages:

- Architecture, Engineering and Construction Collection: This collection is used in Building design, Civil Infrastructure and Construction. Some of the products are as follows:
  - Revit®, AutoCAD® Civil 3D®, AutoCAD® (includes AutoCAD toolsets for architecture, MEP, Map 3D etc.), Infraworks®, Navisworks Manage®, 3ds Max®, etc.
  - The collection also includes analysis, rendering, reality capture software and services, and other specialty software.

- Product Design and Manufacturing Collection: This collection is used in Product design, Manufacturing and Factory Layout. Some of the products are as follows:
  - Inventor®, AutoCAD® (includes AutoCAD toolsets for architecture, MEP, Map 3D etc.), Inventor Nastran®, Inventor CAM®, Inventor Tolerance Analysis®, Fusion 360®, etc.
  - The collection also includes factory layout, rendering, data management, and other specialty software.

- Media and Entertainment collection: This collection is used in Modelling and Animation, Visual Effects and Rendering. Some of the products are as follows:
  - Maya®, 3Ds Max®, Arnold®, etc.
  - The collection also includes rendering, sketching, reality capture, and other specialty software.

We hope the bulletin was informative. We would be happy to provide you additional information that you may require on the subject. Please write to us at in-fmkpmgccsbulletin@kpmg.com for any queries or feedback.

Regards,
