

# Employment & Immigration

KPMG's Immigration and Employment Law team is a dedicated division covering the East Africa region. We offer practical advice on all aspects of East African employment and immigration laws.

## Recruitment & compliance

- Employment contracts and handbooks
- Employment status and compliance audits
- Employee privacy and data protection
- Employee benefits, incentive and reward schemes

## Terminations & restructuring

- Advice and review of terminations, disciplinary and grievance matters
- Restructuring and redundancies
- Transfer of undertakings

## Immigration law

- Employment permits, visa and residency requirements for employees in East Africa
