

International travel

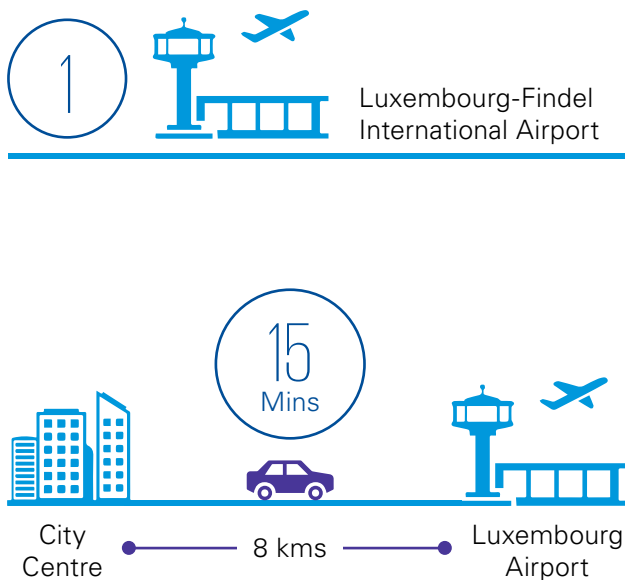

Train connections

Nestled in the heart of Western Europe, Luxembourg is conveniently located for rail travel, with trains to Paris (two hours), Frankfurt (three and a half hours) and Brussels (three hours).

Air travel

Luxembourg airport

The Luxembourg-Findel International Airport has 19 airlines flying to 81 locations in 22 countries. It came seventh in the 2019 Skytrax World Airport Awards for the best airport under 5 million passengers, and is the sixth-largest cargo hub in Europe. According to a recent study, Luxembourg airport is the fastest in the world between disembarkation and departure, with an average time of 15.5 minutes.

Nearby airports

There are convenient shuttle and bus transport links from Luxembourg to Frankfurt-Hahn airport (113km away) and to Brussels South Charleroi Airport (189km away), while Lorraine airport is a handy 90km away.
