

November 10, 2011 - Notice of the Trustee in Bankruptcy of MF Global Canada

The Trustee has put processes in place that will enable customers of MFGC to place liquidating trades with respect to positions traded through the CME. If you wish to place a trade please contact your MFGC representative.

The Trustee continues to investigate bulk transfers of client accounts to new brokerage firms in an effort to expedite the return of all client assets as soon as reasonably practical.

A further update will be provided in due course.
