We hope you find this information valuable. If you may have any queries or would like to discuss the newsletter, business or the market, kindly contact us.

## Real Estate

— **[96 percent transactions for registration and documentation of real estate lease contracts made online](#)**

96 percent transactions for registration and documentation of real estate lease contracts were made online through the portal of the Ministry of Municipality and Environment (MME). Hamad Khalifa Al Khalifa, Assistant Under-Secretary for Common Services Affairs at MME, said in a statement that a qualitative leap was achieved in the development of two online services - registration and documentation of real estate lease contracts; and advertising licenses - through the services of automation project currently under implementation. He said that all transactions of the two services can be completed fully electronically without the need for applicant to visit in person the government service centres.

— **[51 percent increase in building permits issued in July](#)**

The Planning and Statistics Authority's recently released data shows 51 percent general increase in July 2019 in number of building permits issued when compared to June this year. According to PSA data on building permits issued during July 2019, Al Rayyan comes at the top of the municipalities where the number of building permits issued were 188, i.e. 27 percent of the total issued permits. While Doha municipality comes in second place with 151 permits, i.e. 22 percent, followed by Al Wakrah with 131 permits (19 percent), then Al Da'ayen with 85 permits, i.e. 12 percent.
