

Deadlines for the preparation, presentation, audit, review, approval, filing and publication of financial statements and annual report

The methods of filing financial statements, annual reports, and other documents in the Register of Financial Statements have been established and are regulated by amendments to Act No. 431/2001 Coll. on Accounting, namely Act No. 547/2011 Coll., Act No. 440/2012 Coll., and Act No. 352/2013 Coll. effective from 1 January 2014.

The new rules should be applied for the first time with respect to financial statements and annual reports prepared as of **31 December 2013** or later.

In connection with the establishment of the Register of Financial Statements, accounting entities that prepare individual financial statements according to the International Financial Reporting Standards as adopted by the European Union (hereafter referred to as IFRS/EU) and Article 17a of the Act on Accounting, as well as accounting entities that prepare consolidated financial statements according to Article 22 of the Act on Accounting, are required to file statements of selected data from these financial statements in the Register of Financial Statements. These statements do not form part of financial statements.

The extent, method, place, and deadlines for filing statements of selected data from financial statements are stipulated in the relevant decrees of the Finance Ministry of the Slovak Republic. These decrees were published in Finančný spravodajca [Financial Bulletin] No. 13/2011, and their amended versions were published in Finančný spravodajca No. 11/2013 and No. 12/2013.

Financial statements are also subject to other legislation as specified below:

- Act No. 431/2002 Coll. on Accounting as amended;
- Act No. 513/1991 Coll. Commercial Code as amended;
- Act No. 530/2003 Coll. on the Commercial Register as amended;
- Decrees of the Finance Ministry of the Slovak Republic stipulating the extent, method, place, and deadlines for filing a statement of selected data from financial statements.

A summary of the situation as of 1 January 2014 is set out below. The summary **only concerns companies** (joint-stock companies, limited liability companies, limited partnerships, general partnerships) that are **entrepreneurs**; **it does not reflect the specific requirements and regulations applicable to other accounting entities, for example, banks, insurance companies, state-owned enterprises, cooperatives, etc. or other special legislation, for example, the Act on Securities etc.**
