

## KPMG REG CRS Alert

<b>Date:</b>	6 April 2017
<b>Alert Type:</b>	Document
<b>Country:</b>	Sweden
<b>Regime:</b>	CRS
<b>Document Type:</b>	Other Guidance

### Sweden: Issued first edition of the technical guidance for CRS report submissions

In March 2017, the Swedish Tax Agency issued the first edition of the technical guidance to help FIs with CRS reporting, for the calendar year 2016.

Few of the additions made to the technical guidance includes:

- information and link related to the registration process,
- guidelines of using/not using certain special characters in XML files,
- the XML file must begin with the XML header provided in the technical guidance,
- in the case of multiple TIN/IN, each number should be provided as a separate line or field,
- hyphens or plus sign should not be used while providing the Swedish social security number.
