France: Updated version of the CRS technical guidance

On 14 June 2018, France issued an updated version (v1.7) of the CRS technical guidance that provides French FIs with the technical description and specifications required for the transmission of the CRS returns.

This version of the technical guidance contains updates under the following sections:

- Final list of Reportable Jurisdictions for the year 2017; and,
- ReportingFI element (specifically, the “ResCountryCode” tag).

Note: The list of Reportable Jurisdictions provided in the updated technical guidance mirrors the Reportable Jurisdictions list published in Ministerial Order of 22 May 2018.
